About Robinson College

The College is a centre of academic excellence with about 400 undergraduates and about 300 postgraduates. Sir Richard Heaton is Warden of the College and there are approximately 90 Fellows and 125 non-academic staff.

Robinson College is the most recent addition to the 31 colleges which make up the University of Cambridge. It owes its foundation to the generosity of Sir David Robinson whose endowment is the largest single gift ever accepted by the University. Planning for the College began in 1973 when trustees were appointed; building started in 1977 and the College moved into its new accommodation in October 1980. Her Majesty The Queen officially opened the College on 29 May 1981.
