ROBINSON COLLEGE

University of Cambridge

Information for Junior Members

2018 - 2019
Introduction

Robinson College Information for Junior Members is your Handbook. It gives you essential practical information about the College for those who live and work here. You will need to refer to it from time to time – we all do – and it’s your responsibility to familiarise yourself with it, as it contains our rules and regulations as well as all the information you need about how things work, resources, support and so forth.

The Handbook is also available on the College website; to find it, go to Academic Life. For further information about the University rather than this College, it’s worth getting to know other useful sources of information such as the Cambridge University website (www.cam.ac.uk), your Department or Faculty website, Transkills: www.skills.cam.ac.uk/undergrads/ and a range of student websites.

As readers and users of this handbook, you are well placed to comment on it; your suggestions may be incorporated in future revisions of it. Please send comments and suggestions to the Senior Tutor’s Assistant (ks610@cam.ac.uk) in the Tutorial Office.

The College

Robinson College at present comprises the Warden and some 80 Fellows, about 205 graduate students and around 400 undergraduates of whom about 65 per cent are men and 35 per cent are women. Professor A. D. Yates is the Warden of the College and is the Chairman of the College Council and the Joint Liaison Committee (an important consultative body of Fellows and students).

The Warden and Fellows constitute the Governing Body, the ultimate authority within the College.

The College Council is responsible for making the decisions involved in the day-to-day business of the College. The Council consists of the Warden, the Deputy Warden, the Finance Bursar and the Senior Tutor ex officio, and twelve members of the Governing Body elected in groups of four annually to hold office for three years. There are also three student representatives on the College Council. The Members of the College Council for 2018/2019 are listed in Appendix 1.

History of the College

The College owes its existence to a single benefactor, the late Sir David Robinson. He was born in Cambridge in 1904. After attending the County School, he worked for some years in his father’s bicycle shop; in 1930, however, he took over a garage in Bedford and soon developed it into a large and prosperous firm. In the early fifties he was one of the first to venture into the new television business. In 1954 he founded Robinson Rentals, which thrived and became the basis of a considerable fortune. In 1966 he moved to Newmarket, where he had already set up a highly successful racing stable.

Planning for a college began in 1973 when Trustees were appointed. As the result of a limited competition organised by the RIBA, Gillespie, Kidd and Coia of Glasgow were appointed design architects. The College received the 1983 award for architectural excellence from the Royal Institute of British Architecture for buildings completed between 1976 and 1980.

Academic operations began modestly in two large houses on the College site, Thorneycreek and 5 Adams Road, which are now student hostels; a small number of graduate students joined the College in 1977; a few more followed in 1978; and in 1979 the first twenty undergraduates were admitted. A further 154 undergraduates entered in October 1980. The College now has some 80 Fellows, teaching a wide range of subjects, and over 600 junior members (i.e. undergraduate and graduate students).
Academic Life

Education
The University and the Colleges have different responsibilities for your education. Through its Faculties and Departments the University is responsible for the overall content and structure of courses, for setting and marking examinations, and providing lectures and classes, demonstrations and practicals, as well as laboratories and libraries.

The annual schedule of lectures can be accessed at https://www.timetable.cam.ac.uk/. The College provides supervisions, and, in College, the Director of Studies has responsibility within each subject for all academic matters.

Your Director of Studies arranges supervisions, gives you advice about your work, checks your examination entries, and monitors your academic progress. You will have meetings with your Director of Studies at the start and end of each term to discuss your work – at the end of term you will have reports from each of your supervisors (on CamCORS) which your Director of Studies will discuss with you; during the term, you can arrange to see your Director of Studies if you have any questions relating to your work.

For start and end of term meetings, there will be sign-up lists in the Porters’ Lodge, or your Director of Studies will contact you by email.

Meetings with Directors of Studies are frequently also held at the division of term (i.e. half-way through term), as regular discussion of your academic progress is an important aspect of your education.

Meetings with your Director of Studies at the start and end of every term are compulsory. A list of Directors of Studies is given under Appendix 2.

Supervisions are a distinctive feature of education at Cambridge (and Oxford), and are one of the most significant aspects of your education here. Supervisions are usually taught in pairs or in a group of three, and provide a regular opportunity for you to discuss your own work, usually on the basis of written work you have submitted before the supervision. As well as reading your work and discussing it with you, supervisors will advise you on reading, may discuss the content of your lecture courses with you, and may advise on essay technique and study skills. The effectiveness of supervisions relies on you being well prepared for them and being willing to explore ideas and contribute to discussion.

Supervisions are a costly privilege, and it is your responsibility to use them to the very best of your ability. If you cannot attend a supervision you must inform your supervisor in advance. If you miss supervisions without notice and without a good reason, you will be charged the cost of the missed supervision(s).

Graduate Students: your work is supervised by specialists within your own department but you may consult any of the relevant Directors of Studies or other Fellows on academic or other matters; you are also assigned a College Graduate Tutor. These points are covered more fully below on pages 20 & 21 in the section relating directly to graduate students.
Examinations
The principal University Tripos examinations are held during the Easter Term. Examination failure will normally lead the College Council to decide that a student shall not return into residence.

In cases of unsatisfactory performance, the College may at its discretion require that a student does not return into residence, either for a year or permanently. In such cases students have the right of appeal to the Council before a final decision is reached.

Admission to Degrees
The Praelector is Dr Jeremy Thurlow, whose main duty is to present candidates for admission to degrees in the University. Any enquiries should be made to the Tutorial Assistant/Praelector's Secretary, Linda Hunns, in the Tutorial Office (between 8.30am and 1.30pm, weekdays, or by email: ljh65@cam.ac.uk).

Change of Subject
The Senior Tutor may allow you to change from the subject you were admitted to read to another, provided that you are qualified to do so, that you make the request early enough, and that there is space available.

Normally changes are made after at least one year’s study of your original subject. Changing to Medicine or Veterinary Medicine is not possible as numbers are strictly controlled by quota. (There are now graduate medical courses in Cambridge and elsewhere for those who wish to study Medicine but did not choose to do so initially). After you have taken one part of one Tripos the Senior Tutor may also allow you subsequently to take another part of another Tripos provided the combination still leads to an Honours Degree and subject to similar provisos as for changing course. The University’s Statutes and Ordinances govern such changes and should always be consulted. Changes will sometimes be conditional on residence during the Long Vacation in order to prepare for the new subject. If you are thinking of changing subject, consult the Directors of Studies in both your present and potential subjects as early as possible and no later than the end of the Easter Term. You may well be asked to sit a written test in order for you to be carefully assessed for your proposed subject, and the potential Director of Studies is most likely to set a hurdle, such as requiring that you gain at least a II.1 in your current subject, before accepting you. There is a form for you to have signed by both your present and new Director of Studies, available from the Tutorial Office.

If you are contemplating a change of subject which requires an additional year’s study, it must be formally approved by the College, and the Student Loans Company must be notified through the College as soon as possible, if you are to qualify for an additional Student Loans Company’s contribution to tuition fees, and for an extra year of funding.

Dates of Terms
The academical year starts on the first day of October in each calendar year. It is divided into Michaelmas, Lent and Easter Terms. A small number of courses require students to return a few days before 1 October. The dates of the three terms in 2018/19 are:

- Michaelmas Term: 02 October to 30 November
- Lent Term: 15 January to 15 March
- Easter Term: 23 April to 14 June
Each of the Michaelmas and Lent Terms includes a period of about 60 days and the Easter Term a period of about 53 days called Full Term, during which officially arranged teaching takes place. The dates of Full Term vary from year to year, but the dates for 2018/2019, 2019/2020 and 2020/2021 together with dates of Easter Day, are as follows:

**Residence Requirements**

To be eligible for the BA degree all undergraduates are bound by the University Statutes to keep the equivalent of nine full terms by actual residence in Cambridge within the periods of whole terms. ‘Keeping Term’ involves being resident for 60 days (59 nights) in the Michaelmas and Lent Terms and for 53 days (52 nights) in the Easter Term.

Each night must be spent in official University accommodation (unless tutorial permission is obtained for other arrangements) within three miles of Great St Mary's Church, which is the centre of the University. This is less complicated than it sounds: you satisfy the requirement by living in your College accommodation throughout Full Term. Undergraduates normally quite simply keep the Full Terms, but if you sleep out of Cambridge during your residence (as you may do by signing the Exeat Book in the Porters' Lodge), you must make up the Full Term period by residing for extra nights. The College has to certify to the University that each undergraduate has kept each Term. Failure to keep Term can have serious consequences.

**Requirements for international students**

Government regulations on non-UK and non-EU students bind the University and Colleges on matters such as visas and attendance requirements. International students are individually sent all the information they need about such regulations; if you are an international student and have any questions about what is required of you, in the first instance you should contact the Senior Tutor (senior.tutor@robinson.cam.ac.uk).

**Dates of residence**

You may wish to reside in order to study before and after Full Term, but within Term, even if you have no nights to make up. You must, in any case, come into residence not later than the first day of each Full Term (Freshers come up earlier in the first Term for an induction programme, and to complete various formalities). You may not go down until your residence requirements have been met. Written permission to reside in College before the Saturday prior to the beginning of Full Term and after the second Saturday following the end of Full Term must be sought from the Senior Tutor's Assistant.
**Vacation residence can never be guaranteed** and almost always involves moving into a room different from that occupied during Full Term, usually in one of the College hostels and not in the main building. Priority is always given to students who need to be in Cambridge for academic purposes and to overseas students. On the contrary, “it is inconvenient for parents/friends/flights” is a very low priority reason. **Please plan ahead!**

The precise times when you need written permission from the Senior Tutor’s Assistant to be in residence for this academic year are: before Saturday 29 September 2018 and after Saturday 08 December 2018 (Full Term: 2 October to 30 November); before Saturday 12 January 2019 and after Saturday 23 March 2019 (Full Term: 15 January to 15 March); before Saturday 20 April 2019 and after Saturday 22 June 2019 (Full Term: 23 April to 14 June).

Unless you have permission to stay in College after term ends, you will need to vacate your room by 10.00am on the Saturday; failure to leave by this time may incur a charge.
Welfare and Health in College

The Tutorial system
The Senior Tutor, Dr David Woodman, has overall responsibility for the academic life of the College and the welfare of all its students. He must be consulted about change of subjects or any other change in academic course during your stay in College, or if you have problems that your Director of Studies or Tutor cannot resolve. If you want to see Dr Woodman, make an appointment through his Assistant, Keisha Sharp, whose office is on High Court, staircase V.

You are all assigned to one of the Fellows of the College as your Tutor. Each Tutor is primarily concerned with the personal welfare of their tutorial students and is available for advice on, and confidential discussion of, any subject relating to College life. Tutors are in the College at certain regular times during each week or may be contacted in their departments or, if necessary, at home.

The Tutorial Noticeboard is in the Porters’ Lodge; details of Tutors’ regular times for meetings with their students are also available on the College website. You are free to contact any of the Tutors (not just your own) for consultation on any issue.

You are all required to see your Tutor at the beginning of each term and before going out of residence at the end of term.

These meetings are important. If you fail to attend a required meeting, and don’t respond to follow-up emails, there is an automatic charge – and of course the meeting still to attend. If you are dissatisfied with any aspect of your dealings with the College, you should approach your Tutor in the first instance. The Tutors are listed under Appendix 3. Formal procedures for pursuing complaints which cannot be resolved informally are described in documents available from the Senior Tutor’s Office or the RCSA, and also on the College Policies pages of the College website (click on College Life). There is also a Women’s Tutor, whom any student is welcome to contact, and a Financial Tutor who is available to see those with financial queries or problems. It is very important that, if you have any kind of financial difficulty, you contact him and also your own Tutor; this will enable us to deal with difficulties before they become larger problems. For further information, see the Finance section of this handbook.

Throughout Term, a Duty Tutor is on call overnight and at weekends; you’ll find contact details on the Tutorial Noticeboard in the Porters’ Lodge.

Please ensure that we have your current contact details, and in particular, your mobile phone number, to ensure that we are able to work effectively with you and support you; there may well be times when it is essential that we can contact you without delay. It is your responsibility to ensure that your contact details are full and up-to-date on CamSIS (further information about this database is available elsewhere).

Chaplain
The College Chaplain is the Reverend Simon Perry. He is available for all members of the College, of any religious persuasion or none, to talk about any matter that concerns them, in confidence and off the record. He is also a minister for Christians in College; but, like your Tutor, the Chaplain is there for consultation by any student for any reason. His room is in Flat 1A, Herschel Court and his home is close to College so you can contact him at any time of day. For members of other faiths, the Chaplain is able to link you to chaplaincy services available in the University or city as appropriate.
Policy on Racial, Sexual & Religious Harassment
The College is committed to creating and maintaining a working, living and learning environment for students, staff and Fellows, free from all forms of discrimination, and to fostering mutual respect and consideration. The College will not tolerate racial, religious, sexual, and gender harassment, including abuse on the grounds of race, religion and sexuality. To help ensure that such behaviour has no place in the College, the College issues advice to all Fellows, staff and students on how to deal with behaviour of this sort. A copy of the College policy document is available in the JCR, from the Tutorial Office on request, or on the College Policies page of the College website.

While it is the case that interpretations of harassment differ, and that differences of attitude or culture and the misinterpretation of social signals can mean that what one person sees as harassment may not seem so to another, it is important to remember that harassment is a disciplinary offence under the College’s disciplinary regulations. The defining features of harassment are that the behaviour is intentionally or recklessly offensive or intimidating to, and unwanted by, the recipient or group of recipients, as assessed by normal standards of sensitivity.

All members of the College should therefore be sensitive to the feelings of others at all times. Complaints of harassment will be responded to sympathetically, thoroughly, and with all possible speed. The College will respect the particular sensitivity and confidentiality of such matters.

If you feel that you are being subjected to harassment you should not hesitate to seek advice from one of the following people: the Senior Tutor, the Chaplain, the College Nurse or the Women’s Tutor. They have received training in dealing with such situations. Or you may prefer to approach your personal Tutor.

The RCSA Welfare and Women’s Officers are also available to supply confidential advice. Whoever you approach, you will be advised on a further course of action. The RCSA and Women’s Officers will endeavour to resolve the matter informally, failing which they may take the matter further on your behalf, but only with your consent.

You should also read the College’s policy on appropriate relationships within the College setting (see the College website); policies such as these are designed for the well-being of all members of the College community, junior and senior members, and staff members, alike.

Discipline in the College
Any behaviour that infringes the College’s Code of Discipline (see Appendix 7a) will be referred to the Dean of Discipline who will decide what the appropriate penalty should be. Grave disciplinary offences – so serious as to possibly warrant that the student or students responsible be required to go out of residence temporarily or permanently – are referred to the College’s full Disciplinary Committee (see Appendix 7b for full disciplinary regulations).
Smoking
Smoking is prohibited in virtually all of the College. Smoking is not allowed in any room in the College including bedrooms, nor is it allowed on any walkway, balcony, staircase or landing. Smoking is only allowed as follows:
- In the gardens
- In Front Court and Long Court between the hours of 8.00am and 11.00pm
See Appendix 6.10 for details of College Smoking Regulations.

Alcohol and Drugs
Moderate consumption of alcohol is an acceptable part of the communal life of the College. However, excessive drinking of alcohol poses a significant threat to health, in both the immediate and longer term; it also undermines your ability to work really effectively and to keep up with what is expected of students here, on fast-paced, very challenging courses. The College's policy on the Use and Abuse of Alcohol is on the College website.

Any use of prohibited drugs also seriously damages health. The College therefore takes any case brought to its attention very seriously, and would treat offences committed under their influence severely. See the College’s Code of Discipline for details.

If we had reason to suspect that any of our members were involved in the manufacture or distribution of drugs, we would not hesitate to involve the police.

There are a number of sources of expert advice for anyone for whom dependency on drugs or alcohol is a problem. Your Tutor can provide confidential advice, and further information is given in the College’s policy, and also kept on the racks on the first floor of the College Library. The RCSA Welfare Officer and CUSU can also provide valuable and equally confidential advice. The CUSU website at: http://www.cusu.co.uk/what-we-do/publications provides useful guidance and links.

College Nurse
The College Nurse has a surgery in the Health Centre in Set 19, W staircase – times will be available on the website at the start of term. Appointments are available to book on-line https://www.robinson.cam.ac.uk/college-life/student-information-and-welfare/college-nurse

If you have any illness, health worries or just want to talk, she is here to help you. Out of surgery hours the College Nurse may be contacted by phone at home by the Duty Tutor, contact by the Duty Porter will be by email.

All Freshers must attend an essential Health Interview during which they complete a form to be registered with a Cambridge GP Practice. The Health Interviews with the College Nurse are by appointment during the first three weeks of the Michaelmas term. All information shared with College Nurse is confidential.

Please remember to attend your College Nurse interview and bring your NHS card.

Allergies
All students are responsible for their own medication so please remember to have e.g. Epipens etc. for food allergies and inhalers for asthma - and of course do carry them with you at all times.
Please note: If you do have an allergy, we regard it as your responsibility to inform us; it is also your responsibility to ensure you have whatever medical treatment you need (such as an Epipen), and have been trained how to use it. We also regard it as your responsibility to inform us about chronic medical conditions and the treatment required; but unless it is essential for your own wellbeing that this information is known by members of the College and the College staff who work with you, such information will be confidential to the College Nurse.
If you plan to bring medication with you that requires to be stored under refrigerated conditions, please let us know in advance to your arrival through the Tutorial Office. We will endeavour to provide a fridge in your room or agree alternative arrangements with you.

Disposal of Needles and Sharps
We understand that some College Members may need to use Sharps from time to time, e.g. Insulin Pen Needles. We ask that you ensure that you dispose of these in such a way that our staff or other college users are not put at any risk. Your Doctor should have provided you with your own Sharps bin and given you advice on safe disposal of needles and sharps which you should follow. In the unlikely event that you do not yet have a Sharps disposal bin, please contact the Housekeeping Department or Porters Lodge. There is a purpose intended sharps disposal bin in both locations that is available for you to use. Please DO NOT dispose of sharps in bedroom bins or in any other bins around the College.

Doctors and Medical Help
All students are required to register with a Cambridge GP – this can be done through the Nurse at your Health Interview on arrival at College. Do visit the College Nurse during her surgery hours and she will help you do this. Please bring your NHS card if you are a UK student.

The porters may be able to provide first aid and/or arrange for transport to hospital if necessary. If you enter hospital under your own initiative then please make sure the Porters' Lodge is informed, because it is a cause for concern and confusion when a student goes missing. If you feel unwell or are injured after daytime working hours, contact the porters who will help you get the appropriate medical attention.

Any injuries sustained in University or College premises, particularly laboratories, must be reported immediately to the appropriate authorities, and signed into the book kept for recording such accidents or that an accident form is completed. This is essential in case an action for damages is to be pursued successfully.

University Counselling Service
Tutors, the Chaplain, the College Nurse, and doctors are all accustomed to being consulted about personal problems. If you wish, any of these can direct you to other professional counsellors, psychiatrists or self-help groups. One such organisation is the professionally run and strictly confidential University Counselling Service (www.counselling.cam.ac.uk) which is free to students.

You can make your own appointment by telephoning 332865 (University Network 32865) or by calling at 2/3 Bene't Place between 9.00am to 5.30pm Monday & Wednesday, 9.00am to 7.30pm, Tuesday & Thursday and 9.00am to 5.00pm on Friday's. It is not a psychiatric service, but the counsellors there are able to refer clients to the Department of Psychiatry at Addenbrooke’s Hospital or elsewhere if such help is needed.
There is also a student-run organisation, Linkline to help students who are worried, depressed, or want to talk to someone in confidence about a personal difficulty. Its telephone number University Network (7)44444 and it is staffed by students from 7.00pm to 7.00am nightly during term time.

**Rape/Personal Safety Alarms** are available from the Porters’ Lodge. No charge will be made though, alarms must be signed for. It is advisable to receive instruction in their effective use.
Finance

Cambridge Colleges receive their income from fees, from charges for accommodation and facilities to members and to outside users (conference delegates, etc.) and from investments in property, land and securities. In the case of Robinson, which has relatively small investments from its initial endowment, conferences in term and during the vacations are a particularly important source of income, and the College was built with specially designed facilities for this purpose. The high standard of our undergraduate accommodation is one consequence of this. The University itself is financed separately from fees, block Government grants and its own investments.

Student Fees, Grants and Awards

Tuition Fees
All students, whether undergraduate or graduate, are required to pay Tuition Fees for their course. For Home and EU undergraduates, the Tuition Fees for the academic year 2018/19 are capped at £9,250. To cover the cost of the Tuition Fees, all Home and EU undergraduates may receive a loan from the Student Loan Company (SLC) (or appropriate agency for students from Scotland, Wales and Northern Ireland), which carries interest but is only repayable after graduation. Repayments are compulsory only in respect of a fixed percentage (currently 9%) of earnings above £25,000 pa (£18,330 for students from Scotland and Northern Ireland), and any balance still outstanding after 30 years (25 years for students from Northern Ireland and 35 years for students from Scotland) will be written off.

The SLC and its fellow agencies pays the Tuition Fee loan direct to the College but also issues a Financial Notification to each student qualifying for a Tuition Fee Loan. This document should be brought to the College Office, even if you are not taking up the Tuition Fee Loan, since it provides confirmation to the College that you qualify as a Home or EU undergraduate.

Students reading Medicine should ensure that they have applied for funding to the SLC to cover six years of study. Other students reading courses that may require four years of study must ensure that the SLC has accepted their application for Tuition Fee funding on the basis of the correct length of course.

Undergraduates who do not qualify as Home or EU students (normally termed Overseas/Islands students) pay tuition fees to the University that vary by subject and are also required to pay a College Fee, which has been set at £9,000 for the academic year 2018/19.

Post-graduate students pay a University Composition Fee that varies by status (Home/EU or Overseas) as well as by subject and degree to be gained. No College Fee is payable and the level of the University Composition Fee is guaranteed not to change for the duration of the course.

Overseas students who do not have a Tuition Fee Loan and have not agreed other arrangements with the College are required to pay their fees directly to the College immediately on arrival in Cambridge in October at the beginning of each academic year. Any alterations to payment arrangements will need to be discussed, by appointment, in the College office.
Living Costs
All students will, of course, also have to meet the costs of living at university. These costs (food, accommodation, travel, clothes, course expenses etc) vary from person to person but for a Home undergraduate the College considers that £9,160 is an appropriate sum to have available for the three terms of the Cambridge academic year. Those studying some subjects, e.g. architecture, may need more while others with less demanding studies may manage on less.

Home undergraduates from England who started their course in October 2015 or before are able to claim both a means-tested but non-repayable Maintenance Grant of up to £3,482 (if household income is £25,000 pa or less) scaling down to £0 if household income is above £42,620 pa. No grant is available if household income is above £42,620. In addition, Home students who started in 2015 or before can claim a Maintenance Loan of £3,928 regardless of household income and additional means-tested amounts up to a maximum loan of £6,043.

Home students from England starting their course in October 2016 or later are not eligible for a Maintenance Grant. However, the Maintenance Loan available without means-testing is £4,054 and additional sums are available depending on household income up to a maximum loan of £8,700.

The Maintenance Loans are repayable on the same terms as the Tuition Fee Loan. The arrangements for students from Scotland, Wales and Northern Ireland can be found at the websites for the relevant student finance agencies in those countries.

International including EU undergraduates can expect to spend more, especially if vacations are spent in Cambridge rather than returning home. International including EU undergraduates are not eligible for any maintenance funding from the UK government or the devolved administrations and must make their own arrangements to meet their living costs.

The living costs for graduates are still greater, with a need for accommodation for a full 12 months and, often, additional costs arising from the subject being studied. The University provides a calculator to help graduates estimate how much they may need for living costs which can be found at http://www.graduate.study.cam.ac.uk/finance.

College Office
The College Office is the college's accounts department and deals with all accounting matters including students’ college bills, student loans, grants, etc. The office is located just off Long Court.

College Bills
A membership fee deposit is charged before arrival in the first year. It currently stands at £250.

Bills for accommodation, tuition fees and other charges are issued halfway through each term and must be paid within 10 days. In the case of overseas and graduate students fees and accommodation are payable on arrival. Interest will be charged on overdue accounts unless your Tutor recommends otherwise to the Financial Tutor. A final bill will be issued shortly before graduation and the College will not present you at General Admission for a degree unless your account has been settled in full.

Delayed payment of any account for fees, Residence Charge or other charges, will incur an immediate late payment charge of £10 plus interest unless prior agreement to the
contrary is reached with the College authorities, who are very sympathetic to cases of genuine hardship.

The College reserves the right, after consideration of the circumstances of the matter, to decline to present for any degree, diploma or other qualification any member who is in debt to the College.

The circumstances that the College will consider include the nature (academic or non-academic) of the debt; its size; the reason for non-payment; the reasonable practicability of its payment by the student, or on his or her behalf; the likely damage to the student from non-presentation; the likely efficacy of alternative, less damaging sanctions. The College will afford the student the opportunity of commenting on those matters before reaching its decision.

**Financial Assistance**

It is inevitable that some students will experience financial difficulties at some stage. The Financial Tutor is available to discuss financial problems with any member of the College. There are a number of ways in which he may be able to help.

**Bursaries**

The Cambridge Bursary Scheme offers bursaries each year across the University to Home and EU undergraduates with limited resources. The value of each bursary is calculated on a sliding scale depending on household income up to a maximum award of £3,500 pa (£5,600 pa for students considered “independent”). The Scheme is administered by the Student Loan Company on behalf of the University and is evaluated as part of the application for a Tuition Fee and Maintenance Loan. See [http://www.admin.cam.ac.uk/univ/cambridgebursary/index.html](http://www.admin.cam.ac.uk/univ/cambridgebursary/index.html) for full details.

The College itself also awards a number of bursaries, open to both undergraduates and graduates, in the Lent Term. If you wish to apply for one, application forms will be available early in the Lent Term; but you should ensure first that you consult your own Tutor, preferably before the end of the Michaelmas Term. The College also has a number of funds available which are outlined as follows:

**Financial Assistance Fund**

Each year the College Council provides some money for a Financial Assistance Fund to enable grants or loans to be made available to students, whether graduate or undergraduate, who are in financial difficulties for reasons beyond their control. The Fund is administered by the Financial Tutor and is able to address financial crisis issues as well as hardship of a more ongoing nature.

Before applying for such help, you should normally see your Tutor first to establish the scale of the problem and to explore possible solutions. Your Tutor may then refer you to the Financial Tutor. He would not normally expect to seek information about the detailed financial circumstances of your parents, although some reference to their position may be unavoidable because of the effect on your own situation. Assistance from the College may consist of one or more cash grants, or take the form of an interest-free loan.

**Other Funds**

Applications may also be made to the Student Activities Fund (managed by the Senior Tutor and the Financial Tutor) which makes grants for academic or sporting purposes. Grants may also be available from the Friends of the College Fund towards the cost of other activities. Initial enquiries should be made to the Financial Tutor.
It might be said, somewhat loosely, that the Student Activities Fund is for ‘luxuries’ and the Financial Assistance Fund for ‘necessities’ or (in certain circumstances) the relief of debt.

**Book & Equipment Loan Scheme**

If there is a book which you need to consult so often that a copy borrowed from the Library will not be enough, and/or there is specialist equipment needed for your course, you may apply for a grant under the College Book & Equipment Loan Scheme. The College will pay for the book and/or equipment, for your exclusive use until you no longer need it, or graduate - whichever is the sooner. Application forms may be downloaded from the College website. Currently grants are available for up to £75 per year for books and up to £75 per year for equipment.

**Funds for Specific Courses**

The College has some funds available to assist with the costs of specific course requirements, e.g. the Isi Metzstein Fund for architecture, the Chaffield Shaw Medical Support Fund for clinical medics etc. Details of these funds and how to apply are available on the College website and from the relevant Directors of Studies.

The Finance Committee will occasionally consider applications from College clubs and societies for financial assistance with more ambitious projects.

The Cambridge teaching term is shorter than in most universities, and it is correspondingly more intensive. Undergraduates are therefore not normally permitted to take paid employment outside the College during term, except under exceptional circumstances and with the prior written consent of the Senior Tutor. If paid work seems the only solution to your financial difficulties, you are highly likely to be eligible for some of the help outlined above.

If you have any financial problems, discuss them with your Tutor or the Financial Tutor without delay.

**Scholarships and Prizes**

**College Awards**

Undergraduates who excel in Tripos examinations may be elected to Scholarships during their residence or, in their final year, to titular awards. All such awards are normally tenable for one year but are renewable.

The College Council may award College Prizes, currently of £50, to students who gain Firsts in their Tripos examinations, and for meritorious performance in particular subjects.

The College also offers two annual prizes, awarded on the basis of a proposal for travel in the form of an essay. You will be notified of the competition in good time; the closing date is at the start of the Easter Term. You will also be sent information about other competitive College awards and bursaries, such as the Hugh Paton-J P Morgan Bursary, the Fred Boyne Sporting Achievement Award and the Irène Némirovsky Memorial Award, in due course.

**University Awards**

The University offers prizes and scholarships for compositions, reading, or examination performance. Please consult your Director of Studies for further details.
Student Experience
The Students’ Association

All resident junior members *in statu pupillari* at Robinson College are automatically members of the RCSA (Robinson College Students’ Association) unless they exercise their right to opt out¹. The RCSA incorporates both Undergraduate and Graduate students the latter also being members of the Middle Combination Room (MCR).

On a day to day basis the RCSA is run by a committee of 21 elected students but it holds regular Open meetings (8 spread throughout the year) at which all members of the RCSA (excluding non-affiliates) are entitled to speak and vote. Members are encouraged to put forward motions regarding RCSA policy or the allocation of funds to ensure that the RCSA is representing the needs and wishes of students. A list of the RCSA committee can be found here: http://www.rcsa.co.uk/committee.

The RCSA has a budget of about £35,000 per year that is predominantly used to support college clubs and societies with the rest being spent on other activities such as welfare events, buying and replacing RCSA equipment, affiliations and running the RCSA. For expenditure agreed by Open Meetings or in the dedicated Budget Meeting students can either send invoices directly to the RCSA treasurer or be reimbursed on presenting a valid receipt.

The RCSA is currently directly affiliated to CUSU (Cambridge University Students’ Union) through which it is indirectly affiliated to NUS (National Union of Students). Both these organisations offer useful facilities, services and information in return for an affiliation subscription. In a similar manner to the RCSA individual students are automatically members of CUSU but have the right to opt out if desired². The RCSA votes on whether to maintain its collective affiliation status or hold a referendum on disaffiliating/re-affiliating each year to ensure that its affiliation status reflects the views of current students.

The RCSA provides the main means of communication, negotiation and consultation between the Fellows and the students. Members of the RCSA represent students on several committees, dealing with everything from Admissions and Access to the college’s Environmental Policy. The Presidents of the RCSA and MCR, and a third independently elected student are also members of the College Council, which is responsible for decisions governing the day-to-day running of the College.

One of the RCSA’s main aims is to advance the welfare and security of its members. The Welfare sub-committee makes up one third of the RCSA committee roles. All students are encouraged to take advantage of the Welfare sub-committee to make their time in Cambridge as easy and enjoyable as possible. The team offer advice and can speed up the process of getting support by signposting students directly to where the most effective help is available.

Committee elections for the RCSA take place annually in the Michaelmas Term and are open to all students. A list of the current committee is attached at Appendix 10 and more information about the roles of specific officers can be found on the RCSA website (http://www.rcsa.co.uk).

¹ Under the provisions of the Education Act 1994, procedures must exist to allow students to opt out of their Student Unions. Further details on how to opt out of the RCSA are available from the RCSA Secretary. Opted out students (called ‘non-affiliates’) forfeit their right to stand for election to the RCSA Committee and to vote in the RCSA Committee Elections or Open Meetings, but retain access to all other RCSA facilities and services.

² Students are also able to opt out of CUSU membership as individuals under the provisions of the Education Act 1994. Individual students are members of CUSU regardless of whether the RCSA is affiliated to CUSU at the time.
Student Facilities in College

The Junior Combination Room (JCR), next to the Red Brick Café Bar, is a common room open to all students. It is comfortably furnished with several sofas and armchairs. There is also a large television and pool table. The JCR is open for students to use until 1:30am each evening. An additional common room, the Middle Combination Room (MCR), is available for the use of graduate students and is located above the Linnett Room.

The Red Brick Café Bar (RBCB) is open from 9:30am during the week and from 11am on weekends. It sells coffee, tea, soft drinks, rolls and snacks as well as competitively priced beer, wine and spirits. The RBCB screens various sporting events and runs regular Open Mic and quiz nights for student entertainment.

The TV Room, which is off the Bin Brook Concourse, also has a television. This television can be used for watching TV. The consoles of the College Video Games society are stored in the TV Room and are available for students to use.

The Party Room (bop room) is in the basement near the service yard. It has a dance floor and a small bar (run by students with the permission of the College Steward under the supervision of the staff from the Red Brick Café Bar). The Party Room is equipped with a dedicated sound system and discos (bops) are organised regularly within Full Term by the RCSA Ents team. Students can book the Party Room for events through contacting the Conference & Catering office. Events held in the Party Room always require tutorial permission from the Senior Tutor and appropriate levels of stewarding.

J8 is a large room with an adjacent kitchen on J staircase that is available through the Conference & Catering office for holding parties and events. The College Baking Society regularly uses J8 for their meetings.

The Games Room is located on G staircase with windows looking out onto front court. It is used to run various sessions and classes which have historically included CUTAZZ Tap and Jazz, Welfare Arts & Crafts and Yoga. There is also a table tennis table available from time to time.

There are sound-proofed music rooms at the end of High Court which may be used for practice and rehearsals by individuals and groups of instrumentalists. The rooms can be booked free of charge by students and the keys are available from the Porters’ Lodge.

The Dark Room on K-staircase is open to members of the Photographic Society and contains equipment for producing both colour as well as black and white film prints.

The Computer Room is located above the Porter's Lodge and contains several PC’s running both Linux or Windows connected to the Universities MCS system. Printing, scanning and photocopying facilities are available from these computers for a small charge.

Laundry facilities are available for student use in the main laundrette below the Porter's Lodge and in a smaller laundrette adjacent to 4 Adams road. Both have washing machines and driers operated through a card system run by WashStation, an external laundry contractor.
The Trunk Room is located below the Porter’s Lodge in the staff Car Park. Storage in the College is very limited and if you live in the UK you should plan to take everything home.

The Head Porter is responsible for managing the Trunk Room and rules for its use have been circulated by the RCSA President. Please refer to the rules which state that **UK based students are permitted to leave one item of luggage, and International students and UK students travelling home by bus, plane or train may leave an additional item.**

- Access to the Trunk Room will be restricted to specific times and dates, and monitored by a Duty Porter. The times will be circulated by the Head Porter and access will not be available outside of those periods.
- Storage will only be accepted in the following containers – Trunks, suitcases and sealed boxes. Soft bags and carrier bags will not be permitted. Fridges may not be stored in the Trunk Room.
- Every item MUST have a label provided by the Porters’ Lodge identifying your name and removal date. Failure to remove the item by that date will incur an administration charge of £20.00 to your College account. If the item is not subsequently removed following three requests over a 4 week period, disposal will be arranged.

**College Clubs and Societies**

There are a wide range of clubs and societies in college, in Freshers' Week the RCSA runs a college societies fair where students can find out about which societies exist and sign up to any societies of interest. New clubs are being started all the time and you are encouraged to start up a club if there is not already one catering for your interest. If you need financial help to setup or run a club or society funding may be available through the RCSA. Contact the RCSA Sports and Societies officer or check the RCSA website ([http://www.rcsa.co.uk/societies](http://www.rcsa.co.uk/societies)) if you have any queries about the societies in college or how to set up a new one.

**College Sport**

Sporting activities take place at Cambridge at both College and University level. The Colleges provide facilities for their members to be able to take part in field games (cricket, football, hockey, rugby, netball, etc.) and rowing with matches and competitions allowing teams to compete regularly against other Colleges.

Robinson shares a sports ground with Queens’, King’s & Selwyn Colleges on Barton Road. The ground has two soccer pitches, two rugby pitches and two hockey pitches. Grass tennis courts are available in the summer, and three hard tennis courts and a netball court are available throughout the year.

Rowing takes place on the River Cam, about a mile downstream of the Backs. As in the case of playing fields, Colleges own or share boathouses where their boats are stored and changing facilities are provided. Robinson shares boathouse facilities with Lady Margaret Boat Club (St John’s).

The College has a partnership with the University of Cambridge Sports Centre to offer Robinson first time members a significant discount (funded by both the College and the Sports Centre) on various membership options. These are set out in a flier which is displayed at the end of this handbook. The centre is situated on Philippa Fawcett Drive, just 5 minutes cycle ride from College and offers great facilities including a gym, strength and conditioning room, badminton courts, squash courts, fives court, fitness
classes and personal programmes. For more information, please visit https://www.sport.cam.ac.uk/facilities.

Because of the comparative shortness of University Terms, the first matches are usually held very shortly after the beginning of term. Anyone wishing to be considered for a College team should notify the Captain of the sport concerned as soon as possible, ideally at the college societies fair. A list of Captains’ names and email addresses (CRSids) is available on the RCSA website.

There are competitions between Colleges for both team and individual sports. Generally, these consist of leagues and/or Cuppers (knock-out) competitions. In the case of rowing, the main College competitions are the Fairbairn Races (Michaelmas Term), the Lent Races (Lent Term), and the May Races (which take place in June).

**Sister College Varsity**
Robinson College, Cambridge is the sister college of St Catherine’s College, Oxford. In recent years, the RCSA has sought to organise a sister college varsity with St Catherine’s in Lent term alternating between Cambridge and Oxford. Teams for various sports from the two colleges compete in a day of friendly fixtures before enjoying a formal hall together in the evening.

**The Brickhouse Theatre Company**
The Brickhouse Theatre Company (BTC) is run by students of Robinson allowing budding actors, directions and technical crew to stage productions in the 200-seat college auditorium. BTC runs several productions each term and stages the summer Shakespeare festival in the Maria Bjornson outdoor theatre. A subset of the society, Brickhouse Comedy, runs regular stand-up comedy nights in the Red Brick Café Bar. More information about the BTC is available on their website (http://brickhouse.soc.srcf.net/).

**The Record Library**
The RCSA owns a collection of over 750 CD’s and DVD’s that are available for students to borrow. The collection includes both classical and popular music and well as TV shows and films.

**The May Ball**
Robinson traditionally holds a May Ball on the last day of exams in Easter term. The Ball is entirely organised by students and provides a variety of entertainment alongside unlimited supplies of food and drink allowing students to have some fun at the end of the academic year.

The Robinson May Ball committee is conscious that such balls can be quite expensive and has always tried to keep ticket prices to a minimum ensuring prices are between 30-45% cheaper than other at other colleges. Students can earn tickets to the May Ball by volunteering as part of the student organising committee. Students often offset the costs of attending May Balls by working at others, many offer half on half off schemes where attendees work for half the ball and attend the other half for free or at a reduced cost.

**Sexual Health Supplies**
The RCSA runs signup sessions for the C-Card service that provides sexual health supplies to young people under the age of 25 free of charge. This is a highly recommended and easy to use service.
Emergency sexual health supplies are available from the welfare cupboard adjacent to the library toilets, this cupboard is restocked regularly but has a limited stock.

There are contraceptive vending machines in the men’s and women’s toilets between the JCR and the RBCB.

**University Clubs and Societies**

There are University-wide Clubs and Societies covering a wide range of activities these include sports, social and dining clubs, debating societies, music and singing, various sorts of dancing, literary societies, railways and model railways, all shades of political clubs and societies, religious activities and so on.

A good way to obtain information about University-wide clubs and societies is to visit the Societies Fair which is held on Parker’s Piece and in the Kelsey Kerridge Sports Centre right at the start of the Michaelmas Term but don’t worry if you don’t have time to find out about societies right at the start; you can join at any time throughout the year and information is available all year round on the CUSU’s website ([http://www.cusu.co.uk/groups](http://www.cusu.co.uk/groups)).

The Societies Fair consists of several hundred stalls where members of the University, mainly undergraduates, provide information about the clubs and societies which they represent and membership forms for those who wish to join. Visiting the Societies Fair and signing up for too many clubs in an inevitable part of fresher’s week but don’t worry - even as a member of a society you are under no obligation to attend events.

**University Sport**

At University level a much wider range of sporting activities are available in sports where it is not possible for the college to provide facilities (sailing, swimming, judo, etc.). University teams compete nationally against other universities as part of BUCS or other competitions.

If you want to get involved in university sport be proactive, joining the appropriate University club is the best place to start. Don’t be bashful about putting your name forward, most people spend only three years at Cambridge and so it’s best to get out there and get involved as early as possible. Trials often take place within the first few weeks of Michaelmas term from which students might be selected for University teams.

Blues or Half-Blues are awarded to men and women who represent the University in a first team varsity match against Oxford in qualifying sports and may be awarded discretionally for sporting excellence in sports without varsity matches.
Graduates at Robinson College

Robinson offers a friendly and welcoming environment for all graduate students, whether they are new to Cambridge or are existing members of the College. There are currently about 200 graduate students in the College, about half of whom are studying for a PhD; the remainder are studying for a wide range of degrees, including MPhils, LL.M.s, PGCE, Part III Maths (MMath) or the Clinical Course in Medicine or Veterinary Medicine.

All graduate students at Robinson are automatically members of the Middle Combination Room (MCR). The day-to-day affairs of the MCR are run by the MCR Committee, which is elected annually in November from among the graduate community in College. A list of the Committee members, their roles and email addresses can be found on the MCR website: http://mcr.robinson.cam.ac.uk/.

The Middle Combination Room (also called the MCR, but here denoting the physical room rather than the society), is located at the top of the steps above the Linnett Room, off Long Court next to the Chapel and has just undergone refurbishment. Graduate students can activate their blue University Card for access in the Porters’ Lodge. The room is a place to relax, work, discuss or simply have fun. Among other things, it has a kitchen with a coffee maker, kettle, microwave and fridge, a widescreen TV, a large DVD library, table football, computers, printer, a selection of board games and a Playstation 4, all for the use of MCR members. Daily newspapers along with biscuits, tea, coffee and fruit are also provided for members.

Graduates are also members of the Robinson College Student Association (RCSA), and can use the many facilities open to all RCSA members. This includes membership of the clubs and societies supported by the RCSA and numerous sports teams. All other facilities for students of the College are, of course, also open to graduate students including the Garden Restaurant (cafeteria) and the Red Brick Café Bar.

The MCR Committee organises various events throughout the year, of which the most important are the MCR dinners. These are formal meals which are provided free to all Robinson graduates with three being held each term. One is typically a standard Formal Hall on a midweek night (BA Hall), one is a joint dinner with the Fellows (MCR-SCR Hall) and one is a more informal meal usually on a Saturday night where we invite graduates from other colleges to dine with us and is followed by a bop (Cambridge term for a disco/club night) in the College Party Room (Saturday Hall). Other events include weekly graduate dinners in the Garden Restaurant (during term time), weekly film nights, Formal Hall exchanges with other colleges plus seasonal events such as Christmas parties, punting and summer garden parties.

In the first week of the academic year (known as Freshers’ Week), the MCR committee organises a whole host of events to give new members a chance to get to know Cambridge, the College and their peers. Every new graduate student is cordially invited to attend as many of these events as possible.

The MCR Committee will usually be able to answer any questions you may have, but there are various other people who can help, most importantly the Graduate Tutors see Appendix 3; students are allocated a Graduate Tutor and should make contact with their Tutor on arrival in Cambridge.

Financial matters may also be discussed with the Financial Tutor, although your Graduate Tutor should be approached in the first instance.
It is hoped that graduates contribute to the intellectual community of the College through their research or taught programmes. To this end, the MCR Academic Affairs Officer and the Graduate Tutors organise two research days per academic year (typically in February and May) at which students and Fellows give short talks about aspects of their research in an informal and friendly setting.

All graduate students are entitled to claim up to £250 per financial year (1st July to 30th June) for assistance with expenses incurred for academic research or study not covered by other grants.

The range of permissible expenses is quite wide and can include financial support for attendance at academic conferences and symposia, travel expenses, binding and printing costs for theses. Application forms can be obtained from the Senior Tutor's Assistant, Mrs Keisha Sharp.

Meals are available in the Garden Restaurant, although outside Full Term, catering and bar facilities in College may be reduced. The Garden Restaurant and Red Brick Cafe occasionally close down completely for short periods – check the catering website for details of opening hours outside term time. Robinson can usually offer accommodation to all single graduate students for up to three years of study. Graduate accommodation is available in Thorneycreek, Thorneycreek Cottage, 2 Sylvester Road, 3 Sylvester Road, 3A Sylvester Road and 3B Sylvester Road. First-year students will automatically be allocated accommodation by the College. In later years, students select their accommodation through a ballot organised by the MCR Vice-President and held in the Lent term. The College can house up to two couples in two flats in 1A Sylvester Road, though there are NO College crèche facilities and no accommodation for students with children. We are however part of the Colleges Childcare Bursary Scheme.

If you have to find accommodation out of College, the Accommodation Service http://www.accommodation.cam.ac.uk/ in Kellet Lodge, Tennis Court Road is a good place to start. Other sources of information are the daily Cambridge News, the Graduate Union and University Centre noticeboards, the MCR Committee and friends in your department. It is also possible that College graduate rooms may become free during the year; you should let the Senior Tutor's Assistant know if you are interested in a room and she will contact you should one become available.

All graduates are members of the University Graduate Union (GU), which represents and supports graduates at the University both in terms of dealing with the authorities and in practical terms with the sale of rail and student cards, stationery and thesis binding. The GU is situated on the Old Press Site, at 17 Mill Lane, where there is a café, information and resources for graduates. More information can be found on their website; http://www.gradunion.cam.ac.uk/. All graduates are also members of the Cambridge University Students Union (CUSU).

The University Centre (by the river, round the corner from Mill Lane) provides a central meeting place and a variety of other facilities for all University graduates. Catering services are provided at the Main Dining Hall, Grads Cafe and Granta Lounge, all of which are open all year around.
College Administration
Fire and Security

Fire
There are fire extinguishers on each staircase and fire blankets in the staircase kitchens. Misuse of the fire equipment causes danger to life. OFFENDERS WILL BE CHARGED £250.00 AND MAY BE REQUIRED TO LEAVE THE COLLEGE. Please familiarise yourself with the procedures to follow in case of fire; these are placed in every room.

Fire Doors are required by regulations to restrict the spread of fire, in order to allow people to evacuate to a safe place. Fire doors MUST NOT be propped open for any reason, and must remain closed when not in use.

The use of candles or similar unprotected flame hazard is expressly forbidden. Every staircase in the main building has two kitchens, each of which is shared by between seven and ten students. Only limited cooking facilities are available in the staircase kitchens because of fire risk and restricted ventilation. Fire safety is a major issue in the College, particularly in the staircase kitchens, and we require you to take this very seriously. Unattended cooking and excessive steam and/or smoke may trigger the fire alarms.

It is your responsibility when cooking to do all that is reasonably possible to avoid the fire alarms going off; if a fire alarm goes off and you could have prevented this by cooking more carefully, then disciplinary measures may be taken. Cooking is not allowed in your room. Please refer to Appendix 6 Section 4(ii) for further information in respect of cooking equipment.

Smoking
Smoking is prohibited in virtually all of the College. Smoking is not allowed in any room in the College including bedrooms, nor is it allowed on any walkway, balcony, staircase or landing. Smoking is only allowed in the gardens and in Front Court and Long Court between the hours of 8.00am and 11.00pm. See Appendix 6.10 for details of College Smoking Regulations.

Junior Members who ignore the regulations and do smoke in their bedrooms will be charged a cleaning fee of £25/term for specialist cleaning and may receive an automatic £100 charge. Interference with smoke detection equipment in bedrooms or elsewhere will result in an automatic £250 charge.

Gates and keys
The main gate is locked at midnight, but the Porters’ Lodge can be used for access until 2.00am. The cycle sheds are both locked at midnight and the Bin Brook ramp gate is locked at 8.00pm. After 2.00am students can gain access to the College by ringing the bell at the main gate or by using the small gate with a combination lock. If you expect to return to College late, check the current setting for the lock before you leave: the Porters Lodge is staffed twenty-four hours a day. Access may be more restricted during examinations and outside Full Term. You are issued with keys to your room and to your staircase kitchen. There have been a number of thefts from kitchens so they should be kept locked. Theft is a problem for all Colleges, so you are also strongly advised to lock your room and windows whenever you are out and also at night. Room keys must be returned to the Porters’ Lodge at the end of each Term, and other keys at the end of the year.
Porters Lodge
The Porters Lodge will be your first port of call not just when you arrive but probably on a daily basis. The department is staffed all day every day and this is where you should come if you have a query, concern, an accident or injury or you just need to check something. The Lodge is situated at the top of the main entrance ramp on the corner of Grange and Herschel Roads. Areas of responsibility for the Porters are wide and various and include, arrival and departure routines, security, fire prevention, mail, and telephones. More details are shown below.

Mail
Mail is placed in pigeon-holes in the Porters’ Lodge. Mail should be addressed to the recipient at Robinson College, Cambridge, CB3 9AN. There is a post box in Grange Road at the end of Burrell’s Walk. Collection times: weekdays 17.30pm Saturday 12.45pm. Unstamped mail for other colleges may be placed in the inter-college post tray in the Porters’ Lodge, but this service cannot be relied upon either for speed or delivery.

Bicycles
All students’ bicycles must be marked with the numbers allocated by the College. These numbers assist the Police in searching for the many bicycles which are stolen each year. Forms on which to make a description of each bicycle and to record details such as the frame number will be available to Freshers; these forms facilitate reporting thefts to the Police.

Insurance of any bicycle in good condition is essential because the chances of recovery in case of loss or theft are remote. There are bicycle stores underneath the Chapel and underneath the Bin Brook Concourse and at various hostels around the College estate. In addition, there are racks by the entrance to the Chapel Store. Bicycles must be placed in the racks or stores provided and must not be placed elsewhere within the Main College Building or in its near vicinity, or else they will be impounded and not released without payment of a charge. It is a criminal offence, punishable by a charge not exceeding £50, to borrow a bicycle without the owner’s consent. Cambridge Police are particularly vigilant in administering the law concerning bicycles, especially regarding brakes and lights, one-way travel and cycling within the City Centre pedestrian precinct, so you are well-advised to maintain your bicycle in a safe condition and obey the Highway Code, not least because the charge for a first offence is usually £15. In general, it is not a good idea to bring an expensive bicycle to Cambridge; professional thieves operate in the city and the life expectancy of an expensive bicycle is uncomfortably short.

Laundrettes
There are two laundrettes in College – the main one beneath the Porters’ Lodge (basement level on Teaching Room staircase) and the second one adjacent to 4 Adams Road. Both have washing machines and driers operated through a card system by our laundry contractor WashStation. Please collect a card from the Porters Lodge (you will be required to pay at £5.00 deposit). Once you have your laundry card please log onto: www.washstation.co.uk and press “top up your card”. Detailed instructions are available in the laundrettes or contact the College Steward for a manual. Faults or difficulties with the system should be reported to WashStation through the student helpline on 0800 141 2331 or email to service@washstation.co.uk.

Irons may be borrowed from the Porters’ Lodge.
**Taxis**
The Porters will arrange for taxis to be ordered for junior members who are in physical discomfort, or who have to travel some distance late in the evening. Where the need arises from a medical condition and the costs create a financial problem, consult your Tutor and the College Nurse, for the College may well make a contribution, if the need is approved by the Nurse.

**Guest Rooms**
There are four guest rooms, K1, Q3, R2 & R6 each containing twin beds, which you may book at the Porters’ Lodge for your guests at a charge of £42.50 single and £67.00 double (including VAT) per room per night.

**Telephones**
The College telephone number is Cambridge (01223) 339100, but friends and relatives may also dial other numbers to contact junior members:

These numbers are part of the University Network, which connects most Colleges and Departments independently of British Telecom. Calls within the University Network are free of charge to users. Directories are published at the beginning of each academic year, and it is worth making a note of the University Network numbers of, say, your supervisors, Tutor and Director of Studies, as well as their email addresses.

To dial a University Network number from an internal telephone, drop the first digit (usually 3 or 7) and dial the final 5 numbers only.

**Information and Communication**
*Please get into the habit of checking your email regularly, as important information is frequently communicated to you this way.*

Notices are posted on boards or screens in several areas of the College. The Tutorial Noticeboard is located in the Porters’ Lodge and sports notices are posted on screens outside next to the main gate. College circulars are periodically issued to each member explaining immediate matters of concern. There are also noticeboards outside the JCR, mainly for scholarships and (in the Easter Term) examination information, and inside the JCR for all unofficial notices. Current Proctorial notices are displayed on the noticeboard at the entrance to the JCR. Under its legal responsibilities, the College reserves the right to withdraw any poster or other display published on noticeboards and/or websites or other media where the College believes that its principles under its Freedom of Speech policy may be compromised.

Indiscriminate posting of notices in the town has caused the City authorities to ask colleges to discourage this malpractice and it has been banned by Proctorial Edict. *(Proctors are the University “police”)*.
**Accommodation**

**Living Out**
- All undergraduate students are currently provided with a College room.
- Occupancy Agreements cover the three terms of the academic year. There is normally no remission of charges for periods of absence during term time.
- The Senior Tutor’s permission is required to live out as an undergraduate during term time.
- If permission is granted, **one full term’s notice for vacating your College room is required.** Note: Permission to live out in the Michaelmas term must be received before the start of the Long Vacation term.
- The notice must be given in writing to the Senior Tutor’s Assistant, either by letter or by email (ks610@cam.ac.uk).
- The notice will be acknowledged and the College Office informed of it by the Senior Tutor’s Assistant.
- When insufficient notice is given, the College reserves the right to make a charge equivalent to the Residence Charge for period in lieu of notice.

**Living In**
Undergraduates normally live in College accommodation, although, after your first year, this may not be located at the main College site, or you may choose to live in privately rented accommodation. **All members living in accommodation not owned by the College are required to keep the College informed of their address.**

A ballot is run by the RCSA and/or MCR in the Lent Term for the allocation of rooms for the next year.

**College rooms**
The College has signed up to the ANUK Code of Practice for the provision of student accommodation. This provides for minimum standards to be achieved in respect of letting policies and administration; accommodation quality, cleaning and maintenance; support facilities including laundry and mail handling; fire safety, security and electrical/gas appliance management; sustainability measures; disputes and complaints processes. For more information, please contact the College Steward or visit [http://nationalcode.org](http://nationalcode.org).

**The Residence Charge**
These are total residence charges which include rent, energy, water, IT and domestic services. There is no additional kitchen fixed charge, there are no additional charges for utilities and there is no charge for normal levels of internet use (although there are download limits in place on the network in order to safeguard its operation).

**For Undergraduates**, the termly Residence Charge covers a period of up to ten weeks in Term. The termly charges are arrived at by spreading the total annual charge equally across the three terms. They are fixed for the first 3 years (9 terms). Changing room type will, of course, change cost.

**For Graduates**, the termly Residence Charge covers 13 weeks for the first three terms (Michaelmas, Lent & Easter) and 11 weeks of the long vacation.
Vacation accommodation
A vacation charge is payable for early arrival or late departure, i.e. after the end of ten weeks or at the end of University Term, whichever is the earlier. Outside term any student permitted to stay in residence will pay an additional nightly rate of £17.85 (2018/19 rate). To stay in College outside term, you need the written permission of the Senior Tutor’s Assistant; such permission is given where possible, with academic needs being considered a high priority and personal convenience a very low priority. Vacation accommodation is always subject to availability. All rooms in the main building are used for conferences during the Christmas, Easter and Summer Vacations. The precise times when you need written permission from the Senior Tutor’s Assistant are given on page 5.

Your room, its furnishings and equipment
Electrical equipment
The electricity supply is 240v at 50Hz. Sockets are designed to take standard 13 amp plugs and care should be taken not to overload them. Each room has a circuit breaker to prevent overload; should the circuit breaker trip, the reset may not be carried out until the following working day – take care! You may introduce for use in your room kettles, radios, televisions, hi-fis, video/DV’s, computers, hairdryers/straighteners and shavers. Generally, permission is not required before such electrical equipment may be used, (though this policy is currently under review and may change). However, only equipment that complies to BS2754/BS3456/appropriate BEAB mark of approval electrical standard and wired with a 13amp plug may be used. Any other electrical apparatus must be approved by the College Steward. Please note that some items are specifically banned from use in College – please see Appendix 6 Section 4(ii) below. If there are any doubts about the suitability or safety of any equipment, students should consult the Facilities Manager. Non-essential electrical equipment should be switched off when going out as this not only saves money but is good for the environment and reduces the risk of fire. Please refer to Appendix 6 Section 4(ii) for further information in respect of cooking equipment.

If you wish to keep a fridge in your room, it must be registered (make and serial number) with the Housekeeping Department; you are only permitted to have a small refrigerator (no bigger than 50 litres). Freezers are not permitted. Permission for a larger fridge will NOT be given. Please be aware that some fridges have an integral freezer compartment and there is the potential that when defrosting they will leak water. Any damage done to the college furniture or carpet may be charged for. Fridges may not be left in rooms over vacations and storage is very limited, so you must arrange to take them home each vacation. Any fridge left in your room at the end of ANY term may be disposed of and a disposal charge of at least £60 added to your College bill. Unregistered fridges will automatically be disposed of. Over the summer vacation there is even less storage available and therefore fridges not removed at the end of the Easter Term will automatically be disposed of and a disposal charge levied.

Notices & Posters
Posters may be stuck to walls and doors but not on windows, always facing into the interior of the room, and on condition that you must pay for the repair of any damage resulting from the use of drawing pins or plastic adhesive materials. You should not drive picture hooks or nails into the walls of your room or the inside or outside of your doors. Noticeboards are provided in rooms for posters and the like; in addition, picture rails are installed in most rooms. Blu Tac does not harm a door, but it ruins a plastered wall. Please do not use Blu Tac on the noticeboards. If the use of Blu Tac involves the Housekeeping staff in extra work cleaning walls, a charge may be imposed; if inspection of your room when you vacate it reveals that it needs redecorating, a charge may be made depending on its original state when occupied.
**Damage**

Damage to student rooms (carpets, furniture and decoration) not caused by fair wear and tear will be charged for; if the damage is malicious, a charge may also be payable. You will be asked to complete a form agreeing the state of the room at the beginning of each term. Your room will be inspected just after you vacate it.

**Vacating your room at end of term**

At the end of term, please leave your room in a clean and tidy condition. Beds must be completely stripped. All rubbish must be placed in the black bin bags provided. Excess rubbish left in your room at the end of term will incur an extra charge. Robinson College is also a very busy Conference Centre during the college vacation. It is very important that you vacate your room at the end of term at the time specified on your ‘Going Down’ form. The Housekeeping and Maintenance staff strive hard to maintain the standard of rooms and they appreciate your help and cooperation. If your room contains lockable cupboards above the wardrobe, you may normally use these to store possessions during the Christmas and Easter vacations.

There are special arrangements for the summer vacation. Rooms are likely to be used every vacation by conference delegates or B&B guests. There is also a trunk room which can be used by arrangement with the Porters for the storage of one trunk and one suitcase only.

**Staircase and Hostel Kitchens**

The staircase kitchens have microwave ovens, two-ring cookers, fridges, sinks and there is a lockable cupboard for each student. Limited cooking facilities are available in staircase kitchens because of the fire risk and restricted ventilation. Because fire safety in staircase kitchens continues to be a problem, the range of cooking facilities available in the kitchens remains under review by those responsible for your safety in the College.

The hostel kitchens vary in size and availability of storage space. They have either freestanding cookers or built in ovens and hobs, microwave ovens, sinks and there are some storage cupboards. Because fire safety in kitchens continues to be a problem, the range of cooking facilities available in the kitchens remains under review by those responsible for your safety in the College.

Pilfering from kitchens only happens infrequently. Complaints to the bedmakers about pilfering from kitchens will be passed to the RCSA Committee. You will be issued with a kitchen key and it is advisable that the kitchen door is kept locked at all times.
Housekeeping
The Housekeeping team cover the cleaning of all areas of the College including the main college building and all the hostels. The Housekeeping Office is located just off the Bin Brook concourse at the northern end of the main college building.

To contact Housekeeping visit: https://www.robinson.cam.ac.uk/collegelife/departments/housekeeping/feedback-form

Role of the Bedmaker
Each room is allocated a Bedmaker who will on the whole be your regular contact in the servicing of your room. There are also supervisors who you may meet from time to time.

You must allow access to your room at least twice per week. Your bed will be changed weekly and you will be notified of your bed/linen change day on your arrival; any dirty linen must be outside your door by 9.00am. The room and bathrooms, both ensuite and shared, are cleaned weekly. Rubbish bins are emptied at least twice a week.

The majority of Bedmakers only work in the mornings so it would be greatly appreciated if you could be up by 9.00am on your cleaning day to enable the staff to complete their duties in the allotted time. Please assist your Bedmaker by keeping your room tidy and reasonably clean. Staff are instructed to report to the Housekeeping Manager about any consistent untidiness or damage to the furniture and fittings. Rooms will be checked each term by the Housekeeping Manager, Deputy Housekeeping Manager or Housekeeping Supervisors.

Kitchens are cleaned on a daily basis every weekday. The Bedmaker is responsible only for the general cleaning of student kitchens which entails emptying the rubbish, cleaning the floor, the sink and draining area and wiping over the cooker and refrigerator. The refrigerator will be defrosted as and when necessary. The cooker will only be wiped down. It is up to the occupants of the staircase to keep the cooker clean and fit for usage by everyone. **Washing up is your responsibility.** Again, the Bedmaker has instructions to report any untidiness or damage to the Housekeeping Manager. Repeated untidiness may result in the kitchens being closed down for a period and/or a charge.

Complaints
If you wish to make a complaint about a Bedmaker, you should contact the Housekeeping Manager. If there is no improvement after one week, contact an RCSA Committee member and arrange a liaison meeting to sort out the problem.

Disputes procedure
If a Bedmaker complains about the general state of your room and you take no action within seven days, the following procedure will be followed:

1) The Housekeeping Manager, or her Deputy, will first check the room to assess the situation.
2) If she is in agreement with the Bedmaker, a letter will be written to you.
3) If you disagree with the letter, you can either:
   a. contact the Housekeeping Manager; or
   b. contact the RCSA President or RCSA Catering and Amenities Officer.
4) If the RCSA is contacted, a liaison meeting with the Housekeeping Manager should be arranged in order to come to an agreeable solution.
5) If no solution is agreed upon, your Tutor will be informed.
**Maintenance Department**
The College deploys a team of qualified tradesmen who look after both our day to day maintenance and our planned works as well as some project work.

**Reporting faults and problems**
To report a maintenance fault visit: [http://maintenance.robinson.cam.ac.uk/](http://maintenance.robinson.cam.ac.uk/) or email to: maintenance@robinson.cam.ac.uk
Sustainability
Here at Robinson College, we are all proud of our reputation as an organisation committed to reducing the impact of our activities upon the environment.

The College Environmental Policy is monitored by the College Steward through the College Environment Forum which is tasked with ensuring the implementation of the policy and to assist in achieving the overall goal to reduce the College’s carbon footprint. The RCSA and MCR Green Officers are members of the Environment Forum and are able to represent your views and thoughts in College planning. The Environment Forum works to a Strategy which is updated each year. For information on the current strategic goals, please contact the College Steward.

Waste and Recycling
All users of the College are encouraged to dispose of waste sustainably. Recycling facilities are available for use by students, staff and visitors. The College operates a recycling system for card, paper, plastic and glass; all food waste from the kitchen is processed for composting. Additionally, the College recycles light bulbs, including fluorescent tubes, printer cartridges, computer hardware and furniture wherever possible. Further information about recycling is available below or from Housekeeping. Almost all the College waste is all reused in some way – either through recycling or it is processed for waste derived fuel. We are working hard to achieve 0% waste to landfill.

Recycling
The College has excellent recycling facilities and is one of the best colleges in Cambridge for recycling. Recycling bins are provided in all bedrooms and there are recycling bins in each kitchen. The recycling bins are emptied by Housekeeping staff. Other recycling and disposal facilities are listed below. Please note that broken glass should not be put into bins - please keep glass separate and mark as broken glass or contact the Housekeeping Office for advice.

Re-usable envelopes and jiffy bags can be handed in at the Porters’ Lodge for re-use.

Recycling is available in the following places:

**Paper and cardboard (please do not leave under the staircase or in the hallways)**
- Wheelie bins on Front and High Court
- Library photocopy room
- Computer room
- JCR

**Cans, cartons, plastic bottles and containers.**
- Bedrooms
- Kitchens

At the bottom of every staircase

**Printer cartridges and batteries**
- Recycling bins are provided in the service yard

**Mobile Telephones**
- On request to the RCSA/MCR Green Officer

Please make sure that all bottles, cans, cartons and plastic bottle/containers are clean before recycling. Plastic bottles must be flattened before recycling and tops removed.
Eventually we would like all students to be responsible for their own rubbish and to use the facilities provided by the college on an individual basis. Please remember, Cambridge has a big landfill problem so your help in recycling as much as possible is invaluable. Your RCSA Green Officer (green@rcsa.co.uk) will try to answer any further questions about recycling/fair trade shopping etc.

Utilities - Consumption
There is a standing policy to use low-energy light bulbs throughout the estate unless there are specific reasons not to. The consumption of energy and water are monitored by the Facilities and Finance teams and we are working towards a consistent measurement of consumption per user unit so that comparisons can be effectively made with a view to targeting improvements. The College has fitted solar panels on part of the main building to help with its strategic goal to minimise the use of fossil fuels.

Improvements, Purchases and Developments
Wherever possible, specifications for new or replacement systems and equipment take account of the College's environmental objectives.

Ethical Food Policy
Food sourcing is carefully managed with the emphasis upon seasonal and local purchasing wherever practical.

The College, through its purchasing agent, encourages the stipulation of food provenance on food invoices in order to be able to drive this objective. The College manages other aspects of its sustainable food sourcing in accordance with its Food Ethics Policy – see website.

What you can do
All members of the college are encouraged to take proactive steps to help the College achieve its strategic goals. Ways you can help are:

- Turn down heating in favour of an extra layer of clothing
- Use cold water washes in laundry facilities
- Close windows when heating is on
- Turn off all lights when you leave your room
- Turn off all other electrical equipment rather than leaving them on stand-by
- Reduce waste, reuse receptacles, recycle where you can
- Minimise your use of water – don’t run the tap while you clean your teeth

Computing and IT

Introduction
Computers and networks are powerful technologies which enable College members to access, use and distribute the College's and University's information and knowledge. As such, they are critical to the College’s continued existence. With the privilege to use the information resources of the College and the University come specific responsibilities.

These are defined by:
- JANET policies: https://community.jisc.ac.uk/library/acceptable-use-policy
- University rules: http://www.uis.cam.ac.uk/governance/uis-policies-and-guidelines
- College: http://www.robinson.cam.ac.uk/college-life/it/network-usage-rules

This section summarises key points. For more detail, please refer to the resources listed above. Failure to comply with policy will lead to disciplinary action.

Students at Robinson have access to a wide range of computer facilities provided in part by the University, and in part by the College.

IT Office
The Office is located at the bottom of Q Staircase, off High Court. Opening hours and support information can be found at http://www.robinson.cam.ac.uk/college-life/it/contacts. The College operates a helpdesk system for students; you can email helpdesk@robinson.cam.ac.uk, and one of the IT staff will respond to your request.

Robinson IT Facilities
College Computers
The College provides communal access computers for the use of all students. The Student Computer Room has 8 Windows and 1 Apple Mac computer running the University's managed desktop software. These machines provide a range of academic, office, email, graphic design and other programs. Further information is available at http://www.uis.cam.ac.uk/governance/uis-policies-and-guidelines. There are 2 MCS (Managed Cluster Service) PC's in the MCR, 1 in the Law Library and 2 in the Library basement. There are also 2 Catalogue-query terminals in the Library.

Printing
Printing in College uses the Common Printing Balance, a prepayment system which is common to many of the MCS computer rooms across the University. Printing credit can be obtained by logging onto the eCredit webpage. Credit is not refunded when you leave the University, but can be transferred to another University member on request.

Websites
The Robinson College IT department provides webpages offering a great deal of useful information and help specific to the local network at: http://www.robinson.cam.ac.uk/college-life/it.

The rules imposed on all students who use the College data network are published at: http://www.robinson.cam.ac.uk/college-life/it/network-usage-rules.

Information relevant to the Robinson College Students’ Association, and to Robinson College Student clubs and societies is published at http://www.rcsa.co.uk/
Robinson Network
The College provides a local wired and wireless network for the benefit of staff and students. This network covers the entire College site and connects all student rooms on campus, via the University's network, to the Internet. Wireless facilities include an open Wifi network and Eduroam (a worldwide educational network).

Getting Online
To register your device on our network, for either wired or RC-Wifi, open your browser to any webpage e.g. www.bbc.co.uk, you will be redirected back to our Robinson College Computer Registration webpage. Please follow the instructions.

The registration process should take 2-3 mins and you should hopefully be redirected to the Robinson College website once it has finished.

If you have any issues with connecting to the network, you should email helpdesk@robinson.cam.ac.uk for assistance.

The installation and/or use of peer-to-peer software and private wireless networks is strictly forbidden.

There is no charge for network use for students paying the Residence Charge. There are, however, data usage limits in place on the network in order to safeguard its operation, which apply to data usage from non-University systems only. You will receive an email if you are close to breaching these limits. If you breach the limits, your network connection will slow down until your usage goes back below the limit again. You can opt in for a higher limit (the Gold Network Service) for a termly charge of £25.00.

University IT Facilities

University Network
The University Information Service (UIS) operates a network interconnecting all the colleges, and providing fast access to the internet via JANET, the UK's main academic network.

MCS Facilities
In addition to this, the UIS operates a Managed Cluster Service providing many computer rooms around the University (see College Computers section). All students are eligible to use this facility and a single MCS/Raven/Hermes ID and password is used. UIS also run a series of free training classes and lectures on widely used services and software, such as email, word processing, Windows, UNIX and more. Details of these courses are published at: https://training.cam.ac.uk/ucs/.

Electronic Mail
Every student is allocated a University email address on arrival. You can access your email via webmail, via an email program (e.g. Outlook, Mail) or via your personal smartphone/tablet. Email is an important method of communication between departments, supervisors, colleges and students, so all students are required to use this facility and to check their emails regularly.
Planning for the future
While studying your subject, and throughout your time here, you will be acquiring skills and experience which will be of value to you, whatever direction your life may take later. It is worth keeping a record of these both as a means of taking stock of your career and as an element in your CV. Go to http://www.transkills.admin.cam.ac.uk/skills-portal for information about transferable skills and Personal Development Planning (PDP). You may also want to discuss this with your Tutor. The Careers Service offers valuable advice on planning for the future – its resources are described at www.careers.cam.ac.uk, its address is Stuart House, Mill Lane.

Varying priced options, freshly prepared by the College's team of chefs are available daily. These consist of three hot choices, including a well-balanced lacto-ovo vegetarian option, a baked potato bar, pasta bar, self-fill baguette and salad bar. In addition to this, hot and cold beverages and a good selection of home-made desserts are offered. All items are individually priced. The discounted prices for members of the College range from about £1.40 for a substantial snack to about £4.20 for the more expensive main dish options.

You will require your University Identity Card (UIC) to identify yourself and qualify for these discounted prices. The normal method of payment for meals will be by loading money onto your UIC which can then be used to pay as you dine. In the first two weeks of term, cash payments without a UIC will be accepted, but thereafter the specially discounted food prices will be available only if you produce your UIC.

For that special occasion an **à la carte menu** is available, served to you by a waitress at a specially set table. This facility is available Monday to Friday lunchtimes and Monday, Wednesday and Thursday evenings. Menus are available from the Garden Restaurant and bookings must be made with the office at least 48 hours in advance.

**Special Dietary requirements**

Vegetarian options are offered in the Garden Restaurant and at Formal Halls, but prior booking is required for the latter. If you have any other specific dietary requirements, please come and discuss them with the Deputy Catering Manager. Where possible, dietary needs on medical grounds will be met.

**Guests**

Guests are welcome to dine in the College although a surcharge on all dishes does apply for non-members.

**Hall**

There are two dinners in Hall each week and places must be booked in advance. Both are Formal Halls with Fellows and their guests using the High Table. Members and guests are expected to treat occasions with respect - to dress tidily and to remain in their seats until the meal is over.
Since these are the formal occasions in the College week, those who wander about during the meal or behave in a way which inconveniences the staff and other diners will be asked to leave. Hosts are entirely responsible for the conduct of their guests, who must be identified when they are booked in. Dinner is served at 7.30pm and gowns must be worn on both Tuesdays and Fridays.

Halls are occasions enjoyed by all who attend; don’t let your enjoyment get out of hand. Excessive consumption of alcohol at Hall is not tolerated; any student who has drunk so much that his or her behaviour is not acceptable to the Fellows and staff present will be asked to leave. Drinking games, such as penning, are not acceptable. Any inappropriate behaviour in this formal dining setting may result in an immediate ban from future occasions.

**Red Brick Café Bar**

Operating off Long Court is Robinson’s own café bar where you can get a wide variety of food and drink to take the edge off your appetite or have a full meal. Varying menus are available throughout the day including breakfast snacks, all day light food and more substantial hot meals in the evening. Or you can just enjoy your favourite coffee and a cake with friends.

In the evening, the bar opens, offering a wide variety of beers, wines and spirits. Vending machines are available outside the bar for out of hours service. During the year there will be a number of events and quizzes plus big screen viewing of sports and other entertainment. Keep your eyes open for notices and on the website page ‘What’s on in the RBCB’. Hours of opening: Mon-Fri: 9.30am, Saturday and Sunday: 11.00am. Closing times vary – please check the website.

**Comments**

Suggestions or complaints should be addressed to the Conference and Catering Manager or his Deputy.

**Vacation Catering**

There is a limited catering service available to members outside Full Term. Information will be posted at the relevant times giving full details.

**Website Catering Pages**

Conference facilities

The College operates a very healthy commercial conference business to provide vital income support. During termtime, this is limited to day conferences and some evening functions while during vacations, the main college building becomes a residential conference centre. The advantage to students of this operation is that all manner of the services and products the College has are set at a higher level than might otherwise be the case and of course the income helps keep the charges lower.

Meeting Rooms and Theatres

There are several rooms which are bookable under the co-ordination of the Conference Office staff, by any member of College for meetings or parties (a small charge is made for some rooms).

Robinson College boasts a large Auditorium seating 270, one of the finest in Cambridge, the envy of the other Colleges. Everything from 'King Lear' to 'Return to the Forbidden Planet' and 'Grease' has been put on here; productions are regularly staged throughout the term and films are regularly shown too.

There is also a small theatre off the Bin Brook Concourse, known as the Umney Theatre, which seats 120. This may be hired for video projection, but only if the AVA Manager or the Assistant Technician is present. The hire charge is therefore high.

For self-catering dinner parties, a room on J staircase with cooking and dining facilities may be hired. In addition, the College Kitchens can provide lunches and dinners for small parties in the Garden Room or Seminar Room, for which there are hiring charges. The Linnett Room and Teaching Rooms are available for meetings. Early booking is advisable for any Public Room.

The Maria Björnson Theatre in the grounds of 2 Adams Road, has a stage with installed lighting and is available for student dramatic or musical events.

Garden Parties - The garden of 5 Adams Road may be booked for private or club parties: the rules which apply for both venues may be obtained from the Conference Office.

Legislation requires the College to have a Code of Practice governing meetings held on College premises (see Appendix 8).

Parties

If you are planning or organising a party to be held in College, you need to be aware of and comply with the licensing regulations. Please see the Conference and Catering Manager for more information. You must also ensure that you get tutorial permission for your party, in good time. Permission forms for parties in the Bass-ment are available from the Conference and Catering Office. The Bar offers a selection of drinks available for purchase for parties at reduced prices.
Libraries

College Library
http://www.robinson.cam.ac.uk/college-life/departments/library
The College Library is open to all members of the College. Access is gained by your University Card, which is also used for borrowing books. Ms Judith Brown, the College Librarian, is the professional librarian in charge of the day-to-day running of the Library. The Library is open 24 hours throughout the year.

The Library is staffed from 9.00am to 1.00pm and from 2.00pm to 5.00pm Monday to Friday. Brief introductory tours of the library are held during the first week of the Michaelmas term. Junior Members may recommend books for purchase by the College Library. Forms are available on the Library web site or in the Library.

Further information can be found on our web pages. The Library staff are pleased to help with any enquiries.

University Library
www.lib.cam.ac.uk/
The University Library is conveniently close to the College and may be used by all members of the University. The University Library is open each weekday from 9.00am to 7.15pm (no admittance after 7pm) and 9.00am to 5.00pm (no admittance after 4.45pm) on Saturdays. It is open each weekday in Easter Full Term until 10.00pm. Admission is by your University card, issued to you at Matriculation. Induction sessions will be held at the beginning of the year and throughout the year. Online assistance can be found on the University Library’s web pages or at: http://www.lib.cam.ac.uk/teaching-and-learning.

Data Protection
In broad terms, we use your personal information to manage the ongoing relationship between the College and you as part of our lifelong community of scholars. This includes guiding and supporting your academic studies, maintaining and reviewing your academic progress and pastoral welfare, reviewing your financial commitments to the College and (if you live in College accommodation) managing our relationship with you as a resident.

You can find out more about how we process your data by viewing the Privacy Notice displayed on the College website here: http://www.robinson.cam.ac.uk/files/siteassets/college_life/documents/Robinson%20College%20Student%20Privacy%20Notice.pdf

When changes are made to this statement, we will publish the updated version on our website and notify you by other communications channels, as we deem appropriate or necessary.

The controller for your personal information is Robinson College, Grange Road, Cambridge CB3 9AN. The person responsible for data protection at the time of issue, and the person who is responsible for monitoring compliance with relevant legislation in relation to the protection of personal information, is the College Data Protection Lead (CDPL), (College Steward, Nick Milne, data.protection@robinson.cam.ac.uk).
Health and Safety
The College Health and Safety Policy is published on the website here https://www.robinson.cam.ac.uk/files/siteassets/Health%20and%20Safety%20Policy.pdf. Day-to-day responsibility for ensuring the Policy is put into practice is delegated to the College Steward, in consultation, where necessary, with Heads of Department and the Health and Safety Committee. Members of the RCSA and MCR Committees are included on the Health and Safety Committee. The College Steward is the “Responsible Person”.

Please feel free to contact the College Steward for any health and safety related matter.

Accident and Near Miss Reporting
An accident is “any unplanned event that resulted in injury or ill-health of people, or damage or loss to property, plant, materials or the environment or a loss of business opportunity”. A near-miss is “any unplanned event that did not result in injury, illness, or damage – but had the potential to do so. Only a fortunate break in the chain of events prevented an injury, fatality or damage; in other words, a miss that was nonetheless very near”.

Under the Health & Safety at Work Act 1974, the College has a responsibility as a landlord for the safety of visitors to the building (as distinct to employees) which includes our student and other residents. Part of our risk assessment provisions is to understand the accidents and near misses that occur so that we can take proactive action to aim to reduce such occurrences. All accidents and near-misses should therefore be reported.

How is this information used?
Accidents are investigated as required and remedial action taken. Additionally statistics are compiled (shared with the H&S Committee) and HODs to determine particular higher risk areas/activities to enable further mitigating action to be taken. In specified cases, accidents are reported to HSE (RIDD0 Regs).

To report an accident or near-miss, please use the on-line report here: https://www.robinson.cam.ac.uk/about-robinson/accident-and-near-miss-form.
The Development Office

The Development Office, situated at the top of V Staircase, is staffed by Sarah Westwood, Director of Development; Catherine Biggs, Deputy Development Director, Helen Winter, Development Assistant and Norbert Truszczynski, Alumni Relations Assistant.

The Development Office organises the College's programme of events for Members and their families, including the Annual Reception, Reunion Dinners, Freshers' and Graduands’ Parents’ lunches and many others, such as subject and career oriented drinks parties and dinners. Most of the events take place in London and Cambridge, but may be as far afield as Hong Kong, Singapore, Toronto or New York. They also fundraise for various projects in Robinson, including College teaching, student bursaries and scholarships and student accommodation.

The Development Office produces and distributes *Bin Brook*, the College magazine and emails with information on what's happening in College and forthcoming events for Members and Friends of Robinson. In addition, they provide some administrative support to the independent alumni association, The Pegasus Society, in particular publicising and taking bookings for its annual dinner in College and also in gathering information for the Editor of the Society's publication, *The Robinson Record*. The Development Office team are always pleased to offer advice to students organising their own events – just drop by, or make an appointment by contacting them on: development-office@robinson.cam.ac.uk. They also have vacation jobs available from time to time, usually in relation to the telephone fundraising campaign and these are advertised to all students via email and also on posters around College when there are vacancies available.

The Pegasus Society

The Pegasus Society is the name of the independent alumni association of the College. The Society hosts an annual dinner and from time to time may host other events in Cambridge and elsewhere, the logistics of which are usually organised by the Development Office. The Society also provides an Editor for the *Robinson Record*, the annual record of the College, which is distributed free of charge to all resident Members of the College and all members of the Society.

Junior Members may join the Society at any time during the period that they are in residence by contacting the Development Office and paying the current life membership subscription, which is presently £10.00. Joining leaflets will also be sent to all graduands by email during the relevant Easter term.
Chapel
The College Chapel is next to the Porters’ Lodge, with a door that is always open under the first bridge in Long Court.

It contains stained glass by John Piper, who was responsible for the interior design, an organ by Erik Frobenius, a Steinway grand piano and a Rubio harpsichord. The chapel and the small side chapel, which is part of it, may be used at any time for prayer or quiet. The chapel is open all day, and the side chapel is open all night too.

All members of Robinson, their families and friends are welcome to attend chapel services. The chapel is an ecumenical foundation, and the services are not those of any single denomination but on different occasions reflect the riches of different Christian traditions; Christians of all backgrounds may receive communion in chapel if they wish. These and other Christian activities in Robinson, and in the town, are advertised on the noticeboards outside the chapel. Students interested in the use of the chapel and issues of Christian action are encouraged to contact the Chaplain.

The chapel has a strong musical tradition. The Choir sings and helps lead worship at the Sunday evening and Tuesday evening services.

It has toured in summer vacations to Scotland, Ireland, Poland, N.W. Europe, Norway, the Czech Republic, Canada and Hong Kong. Men and women singers are very welcome to join; auditions are held but previous experience is not necessary. The College offers Choral Awards and gives Choir members a free dinner in Hall each Tuesday. Anyone interested should contact the Chaplain or the Organ Scholar, Anthony Gray.
**Gardens**

Our College Gardens date back to late Victorian and Early Edwardian times and everyone is encouraged to enjoy this wonderful heritage together with the more recent landscaping and plantings. There are seats, benches and tables around for students to use and indeed the gardens are well used in the warm summer months for relaxation and study. This includes welcoming students to walk anywhere on the lawns. However, when the soil is wet in the winter we ask people to keep to the paths rather than taking short cuts and risk damaging the turf.

The Gardens Department looks after all the grounds across the entire college estate. They work hard to keep lawns and planted beds looking attractive and interesting. The Gardens compound is located at Thorneycreek Cottage. Please help the Gardeners; they work very hard to maintain an attractive environment for all to enjoy.

**Games in the gardens**

Ball games are not allowed (there are sports fields nearby) but when the College is closed to the public in the Easter Term exam period, to help with relaxation students can play Frisbee and croquet. The small lawn by the side of Thorneycreek is used as a croquet lawn during the summer.

The use of washing lines, repair of cycles, feeding of birds and other animals and the use of ordinary room furniture in the College grounds are not permitted.

**No barbecues of any sort are permitted anywhere on the College site.**

Every resident member of the College (not being a Fellow) pursuing a course of study or research in the University (hereafter referred to as a junior member) shall comply with such of the following Regulations as apply to him/her, and with any other Regulations made by or with the authority of the College Council. Any failure to do so may render him/her liable to disciplinary proceedings under College Statute XXXI or to the imposition by an authorised College Officer of a charge or other penalty.

1. Residence

(i) Every junior member shall come into residence on the first day of each Full Term. Permission is required to come into residence earlier than the Saturday before Full Term or to remain in residence after the second Saturday following the end of Full Term. Every junior member shall inform the College by completing the forms each term online, of his/her going down and coming up dates; permission must be sought to make any changes to these dates once notified.

(ii) Every junior member (whether resident in College, or College hostel, or lodgings) shall sign the Redit Book in the Porters’ Lodge when he/she comes into residence.

(iii) A junior member who wishes to be absent from College or a College hostel or his/her lodgings (as the case may be) from midnight to 06.00 hours shall first obtain an Exeat by signing the Exeat Book in the Porters’ Lodge.

(iv) No junior member shall go out of residence at the end of term without first signing the Final Exeat Book in the Porters’ Lodge.

Every junior member is required to see his/her Tutor before going out of residence at the end of term.

A junior member who has not kept the term as defined by University Regulations may not obtain a Final Exeat without tutorial permission.

(v) Every junior member shall register with a Cambridge doctor within seven days of first coming into residence.

2. The Courts and Precincts of the College

No junior member shall:

(i) bring into or keep within the precincts of the College any animal including fish, birds, reptiles;

(ii) bring into the College courts any car, motorcycle, moped, bicycle or other vehicle;
(iii) make any undue noise in the courts or in College rooms, or play any musical instrument, record or CD player, radio or television so as to be a nuisance to other members of the College;

(iv) use the College lawns for the playing of ball, racket or similar games, including Badminton, with the exception of croquet and bowls on areas designated from time to time by the College and of frisbee throwing on the lawn between the main College building and Bin Brook. Footwear worn must not cause damage to the surface of the lawns. Walking and running on the lawns should be avoided at times of heavy rain or frost;

(v) fly drones of any sort within or above the precincts of the College and its gardens.

(vi) act in such a manner as to interfere with or inconvenience any function taking place within the College;

(vii) be inappropriately dressed when out of the privacy of their room – i.e. suitable attire, including footwear should be worn at all times when in the catering areas, the courts, the Porters’ Lodge, or generally in and around the precincts of the College;

(viii) enter the area of the College Service Yard/Loading Bay at the North end of the College. This is a working area and it may not be used as a shortcut other than as a fire exit in the event of an emergency evacuation.

3. Safety Precautions

No junior member shall:

(i) tamper with the electrical wiring, plumbing, or other services in any part of the College or a College hostel;

(ii) tamper with or block any fire escape routes; this includes the storage of belongings, boxes, clothing, etc on stairwells and on corridors, thus hampering use of the fire exit route.

(iii) discharge or interfere with any fire-fighting equipment without good cause;

(iv) use a barbecue of any type anywhere in the College, including the gardens;

(v) keep any ammunition, fireworks, firearm or airgun, including paint ball guns, in College, in a College hostel or in lodgings without tutorial permission. Explosives or highly flammable substances, including lighted candles, may not be brought into, kept or used in College, in a College hostel or in lodgings;

(vi) climb or sit on roof areas or enter any areas containing control equipment for mechanical and electrical services;

(vii) combine with others to exceed the maximum numbers allowed in a lift irrespective of the total weight.

It is the responsibility of every member of the College to acquaint him/herself with the procedures to be observed in the event of fire and generally to behave in a manner which does not endanger other members, staff or visitors.
A charge of up to £250 and/or deprivation of accommodation and other facilities in College may be imposed on offenders who are caught interfering with or misusing any equipment in College relating to fire detection or control.

4. College Rooms

(i) Furniture belonging to the College shall not be removed from any room without the consent of the College Steward. Any damage or loss shall be reported immediately to the Porters’ Lodge.

Students may not introduce items of furniture of their own – e.g. double bed, arm chair without the approval of the College Steward. Furniture that is allowed must have an attached label which confirms that the filling material(s) and covering fabric(s) meet the requirements for resistance to cigarette and match ignition as shown in fire safety legislation.

(ii) Electrical appliances (other than heaters provided by the College, kettles, radios, televisions, hifi, video/DVD’s, computers, hairdryers and shavers) shall NOT be used without the consent of the College Steward. Toasters and sandwich makers, electric woks, rice makers or any other cooking apparatus with a heat source may also be used but ONLY in the kitchens. Deep fat fryers may not be used under any circumstances anywhere within accommodation areas, including kitchens – this applies to the main college building and to hostels. Spotlights, disco type flashing lights, Christmas tree/fairy lights may not be used anywhere in College premises, including hostels, without approval by the College Steward.

(iii) No cooking shall be allowed in College rooms and no barbecue or similar equipment is to be used in the grounds of the College.

(iv) No animal shall be kept in College rooms. This includes fish, birds, reptiles.

(v) Posters and similar notices facing outwards shall not be displayed in the windows of College rooms or in public parts of the College without permission. Notices may be posted only on approved notice boards in College precincts.

(vi) Aerials shall not be set up outside College rooms.

(vii) A junior member shall deliver the keys of his/her College room safely to the Porters’ Lodge before he/she goes out of residence at the end of each term, and shall leave his/her room in a reasonably clean and tidy state.

(viii) Damage to rooms or furniture (other than by fair wear and tear), including damage to decorations caused by affixing pictures etc. to the walls with tape, nails, or otherwise, will be charged to the occupant. Only shower fittings installed by the College are to be used.

(ix) A junior member wishing to vacate College accommodation for the following term shall give notice before the division of term. If the College is able to re-let the accommodation, rent will cease to be charged at the end of the term in which notice is given; if not, the junior member is liable for the full rent for the whole of the remainder of the academic year. Vacating College accommodation during the course of the academic year removes any right to accommodation in College in a subsequent year.

(x) Graduate students shall pay the Graduate Residence Charge in full for the normal period of 50 weeks' residence. Such rents shall be remitted only provided that:
(a) During the first 3 terms of the academic year, one full term’s notice is required to vacate; without such notice the full Residence Charge shall be payable. During the Long Vacation, half of one term’s notice is required.

(b) There shall be no reimbursement of the Residence Charge for periods of absence. The Residence Charge shall otherwise continue to be payable. A graduate student failing to fulfil the above conditions for compassionate reasons shall be dependent for relief upon the allocation of funds from the Financial Assistance Fund.

(xi) A married couple who are both junior members shall be entitled to accommodation only during term. Such accommodation will not normally be in the College buildings and the Residence Charge will be negotiated. The College shall not accept responsibility for providing married accommodation for a junior member who is not a member of the College.

(xii) Upon departure from your room at the end of each term, unless there is special dispensation allowed, junior members are required to vacate their room by the appointed time (10.00am) and prepare the room in a tidy state for cleaning as follows: beds stripped of all linen, all rubbish placed in the black bags provided, any personal possessions left in the room secured in your top box (not at the end of Easter term). Failure to abide by these requirements may result in remedial charges on the following scale: extra cleaning for very untidy/dirty rooms £25.00; beds not stripped £10.00; late departure from the room £80.00 per day or part day; damage to the room or fittings subject to quote based upon cost plus addition of £80.00 per day if the room cannot be used.

5. Guests in College and in Lodgings

(i) The name of every guest of a junior member of the College who is present in College or a College hostel between 02.00 and 06.00 hours shall be recorded by the occupant.

(ii) No more than one such guest shall be accommodated in any room without tutorial permission.

(iii) No one person shall spend more than three consecutive nights in the College or in a College hostel as such a guest without tutorial permission.

(iv) No guest shall spend more than fifteen nights per term in the College or in a College hostel without tutorial permission.

(v) No member of the College or person under eighteen shall be such a guest without tutorial permission.

(vi) No guest shall be allowed to stay overnight in a junior member’s room in his/her absence without tutorial permission.

(vii) Every junior member shall at all times ensure that his/her guests observe the regulations and rules of the College while they are in the College, and he/she shall be responsible for any damage or extra costs arising from the presence of his/her guests.

(viii) No unaccompanied visitor shall be allowed into the College after midnight.
6. Entertainment and Parties

(i) Before a junior member holds any entertainment, party or meeting of more than ten persons at which alcoholic liquor is to be consumed in College or in any College property, he/she shall first obtain the written permission of a Tutor not less than three days in advance and take it to the Porter's Lodge.

(ii) He/she may be required by the Tutor to provide a list of guests who are to be present.

(iii) A junior member purchasing alcohol for a party must be aware of and comply with the licensing regulations that are in force in the College. Alcohol for parties must be purchased through the Bar.

7. Cars, Motorcycles and Bicycles

(i) No junior member shall keep a motor-vehicle, motorcycle, or moped in Cambridge unless he/she has first obtained tutorial and proctorial permission.

(ii) No motor-vehicle, motorcycle, or moped shall be parked within the precincts of the College except in such places and subject to such conditions as may be specified from time to time.

(iii) Every junior member who has a bicycle in Cambridge shall comply with the rules in respect of the parking of bicycles within the precincts of the College, and with the proctorial regulations regarding the number of bicycles.

8. Academic Dress

9. Public Order

(i) No member of the College shall intentionally or recklessly disrupt or impede or attempt to disrupt or impede the activities and functions of the College or any meeting held on College premises.

(ii) No member of the College shall intentionally or recklessly impede freedom of speech or lawful assembly on College premises; and no member of the College shall negligently, intentionally or recklessly fail to give any notice which is required to be given to a College Officer in accordance with the Code of Practice issued in terms of section 43 of the Education (No 2) Act 1986.

(iii) All members of the College shall comply with any instruction given by a College Officer, or by any other person authorised to act on behalf of the College, in the proper discharge of his or her duties.

(iv) All members of the College shall state their names when requested by any College Officer or by any other person authorised to act on behalf of the College, in the proper discharge of his or her duties.
10. Smoke-free premises - College Smoking Regulations

(i) Under the Smoke-free England regulations set out in the Health Act 2006, it is illegal to smoke indoors in “public” places. Smoking is therefore not permitted in:

- any private or public room of the College,
- any staircase, hallway, walkway or balcony

There are 3 areas where smoking is permitted:

- Long Court and Front Court, from the bottom of the steps leading to High Court to the start of Herschel Court (8am to 11pm only).
- In the smoking shelter adjacent to the Service Yard during working hours, (Staff only).
- The gardens/grounds in general for junior members, conference delegates and members of staff during designated breaks.

(ii) Care should be exercised in not smoking near open windows or intakes for ventilation systems.

(iii) Staff and College Members may not smoke on the public pavements around the entrances to the College at Burrell’s Walk and the Porters’ Lodge (at the junction of Grange Road and Herschel Road).

(iv) Junior Members who ignore the regulations and do smoke in their bedrooms will be charged a cleaning fee of £25/term for specialist cleaning and may receive an additional automatic £100 charge. Interference with smoke detection equipment in bedrooms or elsewhere will result in an automatic £250 charge.

(v) The College Nurse will be happy to advise staff and junior members on giving-up smoking.

Appendix 7a

Code of Discipline

No member of the College shall intentionally or recklessly:

(a) Disrupt or attempt to disrupt teaching or study or research or the administrative, sporting, social or other activities in the University of Cambridge or its constituent colleges, or disrupt or attempt to disrupt the lawful exercise of the freedom of speech by members and employees of the said University and colleges or by visiting speakers, or obstruct or attempt to obstruct any employee or agent of the said University and colleges in the performance of his or her duties;

(c) Occupy or use to attempt to occupy or use, any property or facilities of the University or any of its constituent colleges, except as may be authorised by the authorities concerned;

(d) i) submit to a supervisor employed by the College to teach that member, any written work of another unless such reliance on another’s work has been fully and appropriately acknowledged in the written work submitted.

ii) use unfair means in any examination set and conducted by the College. (“Unfair means” shall bear the same meaning as it does in the University’s Disciplinary regulations, regulation 6).

iii) assist any other member of the College to commit an offence under either (i) or (ii).

(e) Forge or falsify expressly or impliedly any University certificate or document or knowingly make false statements concerning standing or results obtained in any examination;

(f) Engage in any activity likely to cause injury to others or likely to impair their safety;

(g) Engage in violent, indecent, disorderly, threatening or offensive behaviour or language; offensive behaviour here is to be assessed on the basis of normal standards of sensitivity.

(h) Engage in the harassment of any member, visitor, employee or agent of the University and any of its constituent colleges (for the purpose of this Code, a single act of harassment on a single occasion is, if proven, sufficient to constitute a breach of discipline);

(i) Engage in any fraudulent or dishonest behaviour in relation to the holding of any office in a college or University society;

(j) Refuse to disclose his or her name and other relevant details to an officer or an employee or agent of the University or its constituent colleges in circumstances where it is reasonable to require such information to be given;

(n) Fail to comply with the terms and conditions of any penalty imposed by the Dean or the Disciplinary Committee.

Being under the influence of alcohol or otherwise intoxicated will not be admitted as an excuse for breaches of this Code, and may be regarded as an aggravating factor.

NOTE
Junior Members are reminded of the University’s Procedures and Regulations dealing with student complaints of harassment and sexual misconduct (see Appendix 9) and the College may, in appropriate cases, either itself refer, or request complainants to refer, complaints concerning such matters to the University authorities. Where an allegation amounts to conduct that, if proven, would constitute a criminal offence, a complainant may also be counselled to report the matter to the police for further investigation.
Appendix 7b

Appointment of a Dean, Disciplinary Committee Regulations, and Code of Discipline

Dean’s Regulations

1. The Dean shall have responsibility for discipline in the College and to this end may impose penalties upon junior members of the College who are found to be in breach of any provision of the Code of Discipline. The Dean shall, however, have no power to impose any penalty on a junior member or conduct any investigation into the conduct of a junior member unless a signed written complaint of a breach of discipline has been made to him or her.

2. The penalties which the Dean may impose shall include the imposition of a charge not in excess of £500 on any one occasion. In addition, the Dean shall have power to require a junior member to cease to reside in accommodation owned by the College for a period not exceeding the remainder of the academic year, save that when this penalty is imposed in the Easter Term, the junior member may be required to cease to reside until the end of the following Michaelmas Term. The Dean shall also have power to order the exclusion of a junior member from any part of the College (e.g. the bar) for like periods of time. Furthermore, the Dean shall have power to impose a penalty of College Community Service that shall consist of a specified number of hours, not exceeding 60, of useful labour under the direction of the College Steward.

3. In the exercise of his or her powers under these regulations the Dean shall not be subject to direction or control by any other person.

4. In deciding whether to exercise his or her powers in any particular case the Dean shall take care to ensure that, as far as is consistent with the interests of the College, no junior member is punished twice for the same offence.

5. The Dean shall not impose any penalty (a) without conducting a thorough investigation into the facts of the alleged breach of the Code of Discipline, (b) informing the junior member or members concerned of the case which they have to answer (including revealing to them all the evidence relevant to the matter) and (c) extending to the junior member a full and adequate opportunity to answer that case or to draw mitigating factors to his or her attention.

6. The Dean shall maintain a record of all penalties imposed and make an Annual Report to the Council in which he or she shall account for the exercise of his or her powers. All remedial charges shall be paid to the College. Where any breach of the Code of Discipline has led to damage to property, the Dean may order that any charge should be devoted to the repair or replacement of the property in question. But where the Dean does not so order, sums collected from remedial charges shall be expended by the Finance Committee for charitable ends.

7. Where a disciplinary matter arises in which the Dean, either through his or her prior knowledge of the junior members involved or the facts of the matter or for any other proper reason, considers that there is a reasonable possibility he or she might appear to a reasonable observer as partial, he or she shall decline to act and the Deputy-Warden shall act in his or her stead.
8. Where the Dean forms the opinion that a disciplinary matter is so serious that it is appropriate that the Disciplinary Committee should meet, the Dean shall impose no penalty but inform the Warden, the Chairman of the Disciplinary Committee and the Secretary of the Disciplinary Committee that a meeting of the Disciplinary Committee is required.\(^3\)

9. Where a meeting of the Disciplinary Committee is called, the Dean shall present the case against the junior member concerned to the Committee. Should the decision of the Disciplinary Committee be appealed to the Council in accordance with Statute XXX1 (4)(ii), the Dean shall appear before Council and respond to that appeal.

10. Whenever the Dean imposes a penalty under Regulation 2 above, he or she shall inform the junior member of his or her right to appeal to the Disciplinary Committee under Statute XXX1 (3). The Dean shall also inform the junior member that if the Disciplinary Committee finds the junior member guilty, the Committee may vary, i.e. may reduce or may increase, any penalty imposed. The Dean shall present the case against the junior member to the Disciplinary Committee.

\(^3\) The typical case where the Dean will form this “so serious” opinion will be when the Dean’s powers are insufficient to deal with the matter appropriately. For instance, by Statute XXX1(1) no officer (including the Dean) may impose the penalty of temporary or permanent exclusion of a junior member from the College, so should the matter be so serious that that penalty might be appropriate if the accused student were found guilty, a meeting of the Disciplinary Committee will be required. Similarly, the Dean may anticipate (e.g., because of severe damage to property) a charge in excess of the £500 limit may be appropriate, so a meeting of the Disciplinary Committee will be required to deal appropriately with the matter. However, there will be other cases, for instance, if there has been widespread disorder in the College, where a meeting of the Disciplinary Committee will be appropriate even if no individual is at risk of exclusion or a severe charge.
1. **Composition of the Disciplinary Committee**

(a) The Committee shall consist of four Fellows and the Chairman of the Committee. The Chairman shall have significant experience of the conduct of disciplinary or other judicial proceedings and shall be appointed by the Council after consultation with the junior members for a term of five years. The Council may appoint a member or a non-member of the College to the office of Chairman of the Disciplinary Committee. The remaining members of the Committee shall be drawn by lot from the Fellows of the College, excluding Honorary, Emeritus and Life Fellows, Fellows in their first year of election, Members of Council, the Secretary (see reg 2(b)), the Dean, and the Chairman (if a Fellow of the College) and any Fellow who is the Tutor of a junior member of the College charged in the disciplinary matter or who to the satisfaction of the Warden establishes that he or she has prior knowledge of or is otherwise involved in the issue that will come before the Committee.

(b) The drawing of lots for members of the Committee shall be conducted by the Warden and the members so drawn shall serve on the Committee for the duration of the case. The same Committee shall hear the complaints against all the defendants involved in any one case, unless the Committee decides that it would be unfair to try all the defendants at the same time. Prior to the drawing of lots, the Warden shall issue to the President of the RCSA (or his or her nominee) an invitation to be present when lots are drawn.

(c) Each defendant shall have the right to object to each member of the Committee. He or she must notify the Secretary in writing by mid-day of the day next but two before the day of the meeting to try the case of any objection and the reasons for that objection. If the Warden having considered the reasons for the objection decides that it is well-founded, he or she shall draw by lot a replacement member of the Committee. No further objections shall be allowed even where there is more than one defendant.

(d) Where the Warden considers the number of Fellows excluded from the drawing of lots is so great that there is a real likelihood that a Disciplinary Committee will not be able to be drawn, the Warden shall have power to include within the drawing of lots, Emeritus and Life Fellows, Fellows in their first year of election and Members of Council, save that, in no case, shall more than two members of Council, the first two drawn, serve on the Disciplinary Committee.

(e) All five members of the Committee shall attend the entire disciplinary hearing save where urgent and grave business compels a member to be absent. Should a member absent himself or herself for any reason from any part of a meeting of the Committee, he or she shall play no further part in the proceedings of the Committee. Should more than one member of the Committee be absent, the proceedings shall be terminated and fresh proceedings commenced before a new Committee. Should the Chairman be unable to act in any particular matter, the Warden shall have power to appoint a substitute Chairman to act in his or her stead.
2. Officers of the Committee and their Functions

(a) The Chairman appointed, as set out above, shall chair the proceedings of the Disciplinary Committee and shall ensure that the proceedings of the Committee are expeditiously and fairly conducted. Prior to the meeting of the Committee, the Chairman shall have power to decide any interlocutory matter that has not been agreed between the Dean and any junior member involved or his or her representative.

(b) The Secretary of the Disciplinary Committee will be a Fellow appointed by Council, after consultation with the junior members, for three years. The Secretary shall ensure the smooth and efficient running of the Disciplinary Committee and in particular shall attend to the administrative arrangements regarding the time and venue of the hearing, the collection and collation of statements made by witnesses for both the prosecution and the defence as well as accommodation of witnesses where necessary. Furthermore, the Secretary shall make a confidential record of the proceedings of the Committee. This record shall be kept permanently within the custody of the Tutorial Office. The Secretary shall also prepare a summary of the proceedings, not containing the names of the defendants, for the guidance of future Committees. The Secretary shall act under the guidance and control of the Chairman.

3. The Rights of the Defendant and Related Matters

The defendant shall have the following rights:

(a) to be fully apprised in a letter written by the Dean at least ten days before the date of the meeting of the Committee of the nature and the circumstances of the complaint against him or her, including the nature, time and place of the alleged offence. He or she shall also be given reasonable notice of the composition of the Committee, the names of the other disciplinary officers, and his or her right of objection; furthermore, the Dean shall, at least five days before the meeting, provide the junior member involved, or his or her representative, with written statements of the evidence to be tendered by the prosecution;

(b) to appear in person at the hearing; should the defendant inform the Secretary that he or she is unable to attend at the time and place arranged, the Committee shall nonetheless meet to determine whether there is good cause for adjournment of the meeting to a time suitable for the defendant and if the Committee decides that there is no good cause for adjournment, or if the defendant chooses not to appear, then the Committee may hear evidence and decide the case in the absence of the defendant;

(c) to be accompanied by a member of the College chosen by the junior member who may give him or her advice and assistance and who may speak on his or her behalf and cross-examine witnesses on his or her behalf; in addition, the junior member’s Tutor shall have the right to be present throughout the proceedings unless the Tutor is a witness (other than a character witness) or the junior member requests the Tutor’s absence;

(d) to offer such defence or to make such statement as he or she may think proper, to call witnesses, to tender relevant written evidence, and to cross-examine witnesses called by the Dean;
save where the matter comes before the Committee by way of an appeal against a decision of the Dean, to appeal against the decision of the Committee to the Council; written notice of appeal shall be given by the appellant to the Warden within seven days of the date on which the decision of the Committee was communicated to him; the Warden shall summon a meeting of Council within fourteen days of such notice; the appeal shall take the form of a re-hearing of the case before Council and the appellant shall have all the rights set out in regulation 3 (a), (b), (c) and (d); the Council may if they consider it necessary for a proper decision, call evidence not considered by the Committee; no member of Council who was a member of the Committee shall take part in the appeal save where participation in the proceedings by members of the Disciplinary Committee is necessary to ensure that Council is quorate; in considering the appeal, Council may have before it the Chairman’s statement of the reasons for the Committee’s decision; a copy of the Chairman’s statement shall also be sent to the appellant at least one week before the hearing.

4. The Conduct of Disciplinary Committee Business

(a) The business of the Committee shall be conducted in as informal a manner as is consistent with fairness to all the parties concerned.

(b) The meeting of the Committee to hear a case shall be conducted in private and the proceedings shall at all times be treated as confidential, save that once the proceedings have come to an end and any appeals have been heard by Council, the President of the RCSA shall be notified in writing by the Secretary of the outcome of the proceedings including any sentence imposed. The RCSA President shall report the outcome of the proceedings to the RCSA Committee. Every member of the College shall have the right to peruse but not to copy the letter of notification. Two years after the proceedings were commenced, the RCSA President shall destroy the notification. When the proceedings before the Committee have terminated for whatever reason and there is no appeal pending against the decision of the Committee, the Chairman of the Committee shall make a brief report to Council which shall determine what further steps should be taken to notify other persons of the outcome of the proceedings.

5. Appeals from the Decision of the Dean

Where a member of the College exercises his or her right of appeal under Statute XXX(3) to the Disciplinary Committee against the decision of the Dean, he or she shall give notice of appeal in writing to the Secretary within seven days of communication to him or her of the Dean’s decision. The Secretary shall thereupon arrange a meeting of the Committee in the manner set forth in regulation 4(b).

Such an appeal shall take the form of a full re-hearing before the Disciplinary Committee and the junior member shall enjoy all the rights of the defendant set out in Disciplinary Regulation 3, above. In particular, the Dean shall bear the onus of satisfying the Committee of the junior member’s guilt; and the junior member will not be obliged to demonstrate his or her innocence.
CODE OF PRACTICE ISSUED UNDER SECTION 43 OF THE EDUCATION (NO 2) ACT 1986 GOVERNING MEETINGS HELD ON COLLEGE PREMISES

1. Section 43 of the Education (No 2) Act 1986 places a duty on the College to take such steps as are reasonably practicable to ensure that freedom of speech within the law is secured for its members, students and employees and for visiting speakers.

2. Section 43 also requires the College with a view to facilitating the discharge of its duty to secure freedom of speech within the law, to issue and keep up to date a Code of Practice to be followed by students, other members and employees of the College about the organisation of meetings that are to be held on College premises and about the conduct required of those persons in connection with meetings. This Code of Practice, therefore, applies to all students, other members and employees of the College, in respect of all meetings, outdoor and indoor, on College premises including meetings organised by conferences and other outside bodies.

3. The attention of members of the College is drawn to the following College disciplinary regulations:

   9. (i) No member of the College shall intentionally or recklessly disrupt or impede or attempt to disrupt or impede the activities and functions of the College or any meeting held on College premises.

   (ii) No member of the College shall intentionally or recklessly impede freedom of speech or lawful assembly on College premises; and no member of the College shall negligently, intentionally, or recklessly fail to give any notice which is required to be given to a College Officer in accordance with the Code of Practice issued in terms of section 43 of the Education (No 2) Act 1986.

4. (i) In order that the College may take the steps necessary to fulfil its duty under section 43, notice of the intention to hold a meeting anywhere on College premises (including within the rooms of junior members) must be given to the College Steward on the appropriate form (obtainable from a Tutor when seeking tutorial permission, where necessary, or from the Conference Administrator when booking that part of the College’s premises in which the meeting is intended to be held) by the organisers of the meeting, at least three full days in advance of the meeting, save in the case of meetings in the Auditorium when five full days’ notice is required. In reckoning the days of notice, Saturday and Sunday shall be excluded.

   (ii) The duty to give notice shall not apply to the following meetings:

   (a) meetings where the intention of the organisers is that only resident members of the University will be present;
(b) meetings where the expectation of the organisers is that not more than fifty persons will attend and that no persons who are not resident members of the University will address the meeting.

(iii) The form “Notice of Intention to Hold a Meeting” shall state the name of the member of the College taking responsibility for the meeting, the place, the names, addresses and college (if any) of the organisers, the name of the organisation making the arrangements, the name of the expected speaker and whether or not such a speaker is a resident member of the University.

5. The organisers of any meeting held on College premises shall comply with any conditions set by the College authorities in respect of the organisation of the meeting.

Such conditions may include the requirement that tickets must be issued for public meetings, that an adequate number of stewards should be available, that the services of porters should be hired, that the police should be consulted about the arrangements, that the time and place of the meeting shall be changed, and that the meeting may be ordered to be cancelled on account of a threatened breach of the peace. The cost of meeting these conditions, and the responsibility for fulfilling them, rests with the organisers.

6. The College authorities, including the College Steward, the Tutors and the Conference Organiser, shall in the exercise of their duties in regard to the organisation of meetings, uphold the College’s duty in terms of section 43. However, the College may still deny the use of its premises on any or all of the following grounds:

(a) because of a prior booking or planned use of the room or part of the College in question either by the College or some other body;

(b) because no member of the College is willing to accept responsibility for the meeting in question;

(c) because it is not reasonably practicable to organise the meeting without running an unacceptable risk of serious public disorder occurring at the meeting;

(d) because it is not reasonably practicable for some other reason to organise the meeting as intended by the organisers.

7. The organisers of any meeting on College premises, and persons attending that meeting, must comply with instructions given by any College Officer or any other person authorised to act on behalf of the College (including the University Proctors) in the proper discharge of their duties. Any person attending a meeting who is not a member of the College may be required at any time to leave the College premises, notwithstanding any payment that he or she may have made to attend the meeting. The attention of members of the College is drawn to the following College disciplinary regulations:

9. (iii) All members of the College shall comply with any instruction given by a College Officer, or by any other person authorised to act on behalf of the College, in the proper discharge of his or her duties.
(iv) All members of the College shall state their names when requested by any College Officer or by any other person authorised to act on behalf of the College, in the proper discharge of his or her duties.

8. The provisions of section 43 apply also to the University in respect of all its members, students and employees and visiting speakers. The College may invite the Proctors to enter its premises and authorise them to act in the discharge of their University duties. Members of the College are reminded that the University disciplinary regulations apply on College premises as elsewhere in the precincts of the University, and their attention is particularly drawn to the following University regulations of discipline:

Whereas it is the duty of the University to maintain good order and discipline within the University:

(i) No member of the University shall intentionally or recklessly disrupt or impede or attempt to disrupt or impede the activities and functions of the University, or any part thereof, or of any College.

(ii) No member of the University shall intentionally or recklessly impede freedom of speech or lawful assembly within the precincts of the University. No member of the University shall intentionally or recklessly fail to give any notice which is required to be given to a University officer or a University authority under the terms of a Code of Practice issued under the provisions of section 43 of the Education (No 2) Act 1986.

(iii) All members of the University shall comply with any instructions given by a University officer, or by any other person authorised to act on behalf of the University, in the proper discharge of his or her duties.

(iv) All members of the University shall state their names and the Colleges to which they belong when asked by a Proctor, or other person in authority in the University or in any of the Colleges of the University.

9. The attention of organisers of public meetings and assemblies is drawn to sections 11 and 14 of the Public Order Act 1986, concerning processions and assemblies. Other legal requirements may affect the conduct of meetings. A speaker who incites an audience to violence or to breach of the peace or to racial hatred commits a criminal offence. Moreover, an assembly of persons, even if directed to lawful purposes, ceases to be lawful if it threatens serious public disorder or breaches of the peace.

10. Any person who is in any doubt about the application of this Code of Practice to any meeting in the College is under an obligation to consult the Bursar who shall determine whether the provisions of the Code apply to the meeting in question.

11. In this Code the phrase “resident member of the University” shall bear its usual meaning save that it shall include resident members of Robinson College.

12. Breach by any member of the College of any of the requirements of this Code may be treated as a serious disciplinary offence.

2. Scope of procedure

2.1. This procedure applies where a Student wishes to complain that the behaviour of another Student contravenes the Code of Conduct and constitutes an offence against the discipline of the University.

2.2. A complaint under this procedure may be brought by or against two or more Students where the complaint is about harassment or sexual misconduct arising from the same event(s). In such cases references in this procedure to the 'Complainant' or the 'Respondent' shall be construed as appropriate as referring to more than one person.

2.3. A Complainant may choose whether to raise a complaint under this procedure or under an equivalent College procedure, if applicable. However, it is the expectation of the Colleges and the University that this procedure will normally be used where:

(a) the complaint relates to sexual misconduct; or
(b) the complaint relates to conduct occurring in the context of University societies or sports clubs; or
(c) the complaint is brought against Students at more than two Colleges.

2.4. A complaint of harassment or sexual misconduct may be brought under this procedure whether or not it has been reported to the police (but see paragraph 3.6).

2.5. A complaint cannot be brought under this procedure where the Complainant has previously made a complaint about the same event(s) which has been dealt with under the University’s Student Complaints Procedure or a College complaints procedure.
2.6. The General Board shall approve and keep under review explanatory notes, to be read in conjunction with this procedure. Those notes shall include a policy on the use of personal information under this procedure.

3. **General principles**

3.1. Any reference in this procedure to a University officer or other named role includes a deputy appointed by that officer or role-holder to exercise the functions assigned to that officer under this procedure.

3.2. The University will act reasonably in considering complaints under this procedure, having regard to the individual circumstances of the case. Every effort will be made to ensure that all parties are treated with fairness and dignity.

3.3. The time limits set out in this procedure may be varied by the Head of OSCCA for good reason, after consultation with the Complainant and the Respondent as appropriate.

3.4. A written decision issued in accordance with this procedure shall also include the reasons for that decision.

3.5. The Head of OSCCA may suspend the consideration of a complaint at any stage of this procedure and/or refer the matter for consideration under another procedure, after consultation with the Complainant and the Respondent as appropriate.

3.6. Where the events which are the subject of a complaint under this procedure have been reported to the police, the Head of OSCCA will normally suspend the procedure pending the outcome of any police investigation and/or criminal proceedings.

3.7. If the Head of OSCCA considers that precautionary action is necessary to protect any person or to enable a full and proper investigation of the complaint to be carried out, the Head of OSCCA may refer the matter to the Academic Secretary with a view to the Academic Secretary exercising the discretion under Special Ordinance D (v): Precautionary Action.

3.8. Where, at any point during this procedure, the Complainant and Respondent have agreed to seek alternative resolution of the complaint under paragraph 5 but have been unable to reach an agreed outcome, the Head of OSCCA will consider whether further action should be taken under this procedure and, if so, at what stage.

3.9. The Complainant may withdraw a complaint at any time during this procedure, by notifying the Head of OSCCA in writing. Where a complaint is withdrawn no further action will be taken under this procedure, but the Head of OSCCA may refer the matter for consideration under another University procedure.

3.10. None of the members of any body constituted under this procedure will have any previous knowledge of the case or any material connection with either the Complainant or the Respondent. The holders of the offices to which this procedure refers shall appoint standing deputies to act on their behalf in the event of any conflict of interest.
4. **Support and guidance**

4.1. The Head of OSCCA will provide advice at the outset to help both Complainants and Respondents to understand this procedure.

4.2. Complainants and Respondents are entitled to be accompanied by a supporter at any meeting held under this procedure. A supporter may be a tutor, student representative, or a friend. Complainants and Respondents are also entitled to be accompanied by a legal representative at such meetings.

5. **Alternative resolution**

5.1. Alternative resolution may be suitable for dealing with some cases that are brought under this procedure, and Colleges play a key role in supporting such processes. Wherever appropriate, Complainants are encouraged to seek alternative resolution to their concerns before bringing a formal complaint under this procedure.

5.2. Alternative resolution may not be appropriate for some complaints of harassment or sexual misconduct because of the seriousness of the allegations, or because the relationship between the parties has broken down. In such cases the complaint will be considered in accordance with the formal procedure (paragraph 6).

6. **Formal procedure**

6.1. **Raising a complaint with OSCCA**

6.1.1. A Student who wishes to make a complaint under this procedure must do so in writing. The Complainant should set out details of the complaint together with details of any attempts at alternative resolution, if appropriate.

6.1.2. The complaint should be addressed to the Head of OSCCA.

6.1.3. A complaint must be made within three months of the occurrence of the events which are the subject of the complaint (but see paragraph 3.3).

6.1.4. On receipt the complaint will be considered initially by a group comprising the Head of OSCCA, the Pro-Vice-Chancellor (Education), and the Secretary of the Senior Tutors’ Committee. The convenor of the group will be the Head of OSCCA. The group will determine (by a majority decision) whether to:

(a) refer the complaint for investigation under paragraph 6.2 of this procedure;

(b) dismiss the complaint because it is considered to be without merit, or vexatious, frivolous, or malicious;

(c) reject the complaint because it does not fall within the scope of this procedure;

(d) decline to refer the complaint for investigation under this procedure and recommend to the Complainant that the complaint is raised under a College procedure;

(e) decline to refer the complaint for investigation under this procedure for other reasons;

(f) recommend to the Complainant that alternative resolution of the complaint is sought.

6.1.5. The Head of OSCCA will notify the Complainant in writing of the decision of the group within ten Working Days of receipt of the written complaint.
6.1.6. In the event that a decision of the group falls within paragraph 6.1.4(b)–(f) and the Complainant is unhappy with that decision, the Complainant shall have the right to request a review of that decision in accordance with paragraph 6.6. The review will be considered by a Panel appointed in accordance with paragraph 6.3.1.

6.2. Investigation

6.2.1. Where a complaint is referred for investigation, the Head of OSCCA will appoint an investigator to carry out an investigation of the case. The role of the investigator is to prepare a report, which sets out the undisputed facts of the case and any points of difference and makes recommendations based on the evidence and policies in place.

6.2.2. The investigator shall conduct the investigation as the investigator thinks fit, within the context of the general principles set out in paragraph 3 and the explanatory notes issued by the General Board under paragraph 2.6. The investigator may interview (with their consent) the Complainant and the Respondent and any other person involved in the events which are the subject of the complaint and consider or request any other evidence which appears to the investigator to be relevant.

6.2.3. When or before inviting the Respondent to interview, the investigator must:
(a) give the Respondent (and, if relevant, his or her representative) sufficient information to enable the Respondent to understand the nature of the alleged misconduct, including for example a broad summary of the evidence and the number and identities of those involved, together with the place where, and time when, the misconduct is alleged to have been carried out;
(b) notify the Respondent that he or she does not have to say anything and that no adverse inferences may be drawn from the Respondent’s failure to attend for interview or otherwise participate in the investigation;
(c) warn the Respondent that the University may be required to provide as evidence in any subsequent criminal investigation or proceedings in a court of law information regarding the complaint, including any admission made in the course of this procedure (and/or any made during mediation or any subsequent disciplinary proceedings) and that any admission made in the course of this procedure may also be used as evidence in University disciplinary proceedings, save that the University will abide by the confidentiality of any mediation, and anything which is said in the course of mediation will not be used in evidence in any University disciplinary proceedings;
(d) remind the Respondent that he or she is entitled to seek independent legal advice, and provide sufficient notice of the interview as the Respondent may reasonably require to secure such advice if he or she wishes.

6.2.4 Where the Respondent declines to cooperate with an investigation, the investigator may still continue with the investigation in the absence of the Respondent’s cooperation. The investigator will aim to complete the investigation within twenty Working Days of the complaint being referred for investigation, but some cases may require longer, in which case the investigator will keep the Complainant and the Respondent informed about progress.

6.2.5. On receipt of the investigator’s report, the Head of OSCCA may:
(a) refer the complaint for consideration by a Harassment and Sexual Assault Panel under paragraph 6.3; or
(b) decide to deal with the complaint under paragraph 6.3 without reference to the Panel.
6.3. **Consideration of the case**

6.3.1. If the case is referred to a Panel, the Registrary will appoint three members of the University, one of whom shall be a Student, to serve.

6.3.2. The Head of OSCCA or the Panel shall consider the complaint and the report prepared by the investigator. The Head of OSCCA or the Panel may meet (with their consent) the Complainant and/or the Respondent and any other person involved in the events which are the subject of the complaint.

6.3.3. Having considered the complaint and the report, and following any meeting(s) under paragraph 6.3.2, the Head of OSCCA or the Panel (by a majority decision) may:

(a) refer the complaint for consideration under the University’s disciplinary procedures (see paragraph 6.5);

(b) dismiss the complaint because it is considered to be without merit, or vexatious, frivolous, or malicious;

(c) decide that no further action should be taken under this procedure;

(d) recommend to the Complainant and the Respondent that they should seek alternative resolution of the complaint;

(e) propose one or more of the resolutions set out in paragraph 6.4.1.

6.3.4. The Complainant and the Respondent will be notified in writing of the decision of the Head of OSCCA or the Panel under paragraph 6.3.3 within twenty Working Days.

6.3.5. In the event that a decision of the Head of OSSCA or the Panel falls within paragraph 6.3.3(b)–(e) and the Complainant is unhappy with that decision, the Complainant shall have the right to request a review of that decision in accordance with paragraph 6.6. The review will be considered by a committee of three persons appointed by the Registrary, one as Chair of the committee.

6.4. **Resolutions**

6.4.1. The Head of OSCCA or the Panel may propose a resolution to the complaint, which may include (but are not limited to) the following:

(a) that the Respondent will agree to abide by a conduct agreement issued by the Head of OSCCA, a record of which will be retained by the University and which may be taken into account if a further complaint is made against the Respondent under this procedure;

(b) with the prior approval of the relevant body, that the Respondent will take a period of intermission from study;

(c) that the Respondent will attend behaviour awareness training or workshops.

6.4.2. Both the Complainant and the Respondent must agree to the proposed resolution of the complaint. The Head of OSCCA will facilitate the process of reaching agreement between the Complainant and the Respondent and will issue written confirmation of any agreed resolution(s) to the Complainant and the Respondent.

6.4.3. If attempts at reaching an agreed resolution are unsuccessful the Head of OSCCA shall refer the complaint for consideration under the University’s disciplinary procedures in accordance with paragraph 6.5.

6.4.4. If there are grounds to believe that the Respondent has failed to comply with the terms of an agreed resolution, the Head of OSCCA shall determine whether the complaint should be referred for consideration under the University’s disciplinary procedures in accordance with paragraph 6.5.
6.5. Disciplinary proceedings

6.5.1. Where the Head of OSCCA or the Panel refers a complaint for consideration under the University's disciplinary procedures, it will be referred to the University Advocate in accordance with Special Ordinance D (iv) or to any other relevant officer. The University Advocate or other relevant officer will be provided with a copy of all relevant material, including the report of the investigator and a copy of the decision of the Head of OSCCA or the Panel.

6.5.2. The University Advocate or other relevant officer may decide to:
(a) invoke disciplinary proceedings against the Respondent;
(b) refer the case back to the Head of OSCCA for further attempts at an agreed resolution;
(c) take no further action.

6.5.3. The Complainant and the Respondent will be notified in writing of the decision of the University Advocate or other relevant officer within twenty Working Days.

6.5.4. Where the University Advocate or other relevant officer decides to take no further action, the Complainant shall have the right to request a review of that decision in accordance with paragraph 6.6. The review will be considered by a committee of three persons appointed by the Registrary, one as Chair of the committee.

6.5.5. Where disciplinary proceedings are brought against the Respondent, a copy of all relevant material, including the report of the investigator and a copy of the decision of the Head of OSCCA or the Panel will be made available to the relevant disciplinary body.

6.6. Review

6.6.1. In accordance with paragraphs 6.1.6, 6.3.5, or 6.5.4 of this procedure, the Complainant may seek the review of a decision made under this procedure. The review will be carried out by the body specified in the relevant paragraph.

6.6.2. A request for a review shall be made in writing and sent to the Registrary within 15 Working Days of written notification of the decision (unless, for good reason, the Registrary permits a longer period). The request for review shall specify the grounds for review which may be only one or more of the following:
(a) that there was material procedural irregularity in the consideration of the Complainant's case;
(b) that there was bias or prejudice on the part of the decision-maker;
(c) that the decision reached was perverse in that it was one which no reasonable decision-maker could have reached on the available evidence;
(d) that fresh material evidence is available, which was not available and/or not presented for good reason at the time of the original decision.

6.6.3. The request for a review should be accompanied by supporting documentation.

6.6.4. The reviewing body will consider the request for review and the documentation available to the original decision-maker. The reviewing body may, at its discretion, hold a hearing and regulate arrangements for the conduct of the hearing.
6.6.5. The reviewing body will issue an adjudication in writing as soon as possible, which shall normally be within twenty Working Days of the receipt of the request for a review or (if a hearing is held) within ten Working Days of the hearing. The reviewing body shall have power to confirm, quash, or amend the original decision or refer it back to the decision-maker for further consideration.

7. Reporting

7.1. An annual report of complaints considered under this procedure will be made to the Council, the General Board, and the Colleges, in which references to individual cases will be made anonymously.

7.2. The Head of OSCCA will be responsible for the regular review of this procedure.

Annex I

CODE OF CONDUCT FOR STUDENTS IN RESPECT OF HARASSMENT AND SEXUAL MISCONDUCT

The University is committed to providing an environment that is free from discrimination and affirms the right of all members to be treated with dignity and respect. The University will not tolerate harassment of one member of its community by another nor sexual misconduct. The University takes allegations of harassment and sexual misconduct very seriously and may take action, including disciplinary action, in response to a complaint from a student.

The University defines harassment as single or repeated incidents involving unwanted or unwarranted conduct towards another person which it is reasonable to think would have the effect of (i) violating that other's dignity or (ii) creating an intimidating, hostile, degrading, humiliating, or offensive environment for that other.\textsuperscript{1}

Harassment may be verbal, psychological, or physical, in person or via a virtual platform, or through other methods of contact. Harassment may occur in the course of an academic, sporting, social, cultural, or other activity either within the Precincts of the University\textsuperscript{2} or elsewhere in the context of a person's membership of the University, or in circumstances where the victim of the harassment is a member, officer, or employee of the University or a College.

Under this Code of Conduct unacceptable behaviour, whether intentional or not, can take a variety of different forms. The following descriptions are not exhaustive, but give an indication of the types of behaviour which the University considers to be unacceptable:

- making sexually offensive comments about dress or appearance, the display or distribution of sexually explicit material, or demands for sexual favours;
- engaging in harassment on the grounds of a person's sexuality (or assumptions about a person's sexuality) including making derogatory homophobic, transphobic, or biphobic remarks or jokes aimed at a particular person, offensive comments relating to a person's sexuality, refusal to acknowledge a person's gender or identity, or threats to disclose a person's sexuality to others;
- making offensive references to a person's race, ethnicity, skin colour, religion or nationality, dress, culture, background or customs which have the effect of ridiculing or undermining an individual or fostering hatred and/or prejudice towards individuals or particular groups;
- ignoring, disparaging, or ridiculing a person because of mistaken assumptions about their capabilities, or making offensive reference to an individual's appearance, in the context of their disability;
- controlling or coercive behaviour, such as pressure to subscribe to a particular political or religious belief.
Online harassment may take the form of intimidating, offensive, or graphic posts on social media sites or chat rooms, or communications by email, text, or instant messaging.

Sexual misconduct includes the following, whether or not within a sexual or romantic relationship, including where consent to some form of sexual activity has been given and then withdrawn, or if consent has been given on previous occasions:

- sexual intercourse or engaging in a sexual act without consent;
- attempting to engage in sexual intercourse or engaging in a sexual act without consent;
- sharing private sexual materials of another person without consent;
- kissing without consent;
- touching inappropriately through clothes without consent;
- inappropriately showing sexual organs to another person;
- repeatedly following another person without good reason;
- making unwanted remarks of a sexual nature.

2. Scope of procedure

2.1. This procedure applies only to complaints by students about the conduct of other students. The Head of OSCCA will be able to advise on the correct procedure for other types of complaint made by or about students. Because this procedure places an emphasis on reaching consensual resolution, complaints made by a third party and anonymous complaints will not normally be accepted (see paragraph 2 of the Policy in the Appendix). College Tutors and others may wish to discuss alternatives to the use of this procedure with the Head of OSCCA. In cases where a complaint is referred for consideration under the University's disciplinary procedures, there are different disciplinary procedures applicable depending on whether the Respondent is a matriculated student or not. Matriculated students, i.e. all those pursuing a degree course, will be subject to the University's General Regulations for Discipline and the disciplinary procedure set out in the University's Statutes and Ordinances. Non-matriculated students studying for a diploma or certificate will be subject to the disciplinary procedures of the University institution responsible for their course of study.1
For the purposes of the University’s General Regulations for Discipline, a definition of harassment is set out in Regulation 6 (Statutes and Ordinances, p. 191). This definition covers acts of sexual misconduct. Under Regulation 6, a member of the University or person in statu pupillari commits a breach of the General Regulations for Discipline if that person engages in an act of harassment against another member, officer, or employee of the University or a College in any circumstances. Complaints about the behaviour of officers of the Cambridge University Students’ Union or the Graduate Union in the course of their duties should be referred to the relevant Union.

2.3. Sub-paragraph (c) anticipates a complaint in which there is more than one Complainant and/or Respondent, in accordance with paragraph 2.2.

2.4. Bringing a complaint under this procedure does not prevent the Complainant from reporting the matter to the police at any time. See also paragraph 3.6 concerning suspension of this procedure pending the outcome of any police investigation and/or criminal proceedings. The University will support the Complainant in reaching a decision on whether to make a complaint to the police.

See the Appendix regarding the exceptional circumstances in which the Head of OSCCA may report the matter to the police.

2.5. A complaint that has been dismissed by a College will be treated as one which has been dealt with by the College for the purpose of this procedure.

3. General principles

3.2. A Complainant who believes that he or she has suffered any reprisal, or has received a threat of reprisal, as a result of making a complaint in good faith should raise the matter with the Head of OSCCA. The Head of OSCCA will keep the Complainant and the Respondent informed of the general progress of the complaint. Where a complaint under this procedure leads to disciplinary proceedings, the Complainant will be kept informed of the progress in the proceedings and will be formally notified of the outcome of any disciplinary hearing and any sanctions applied.

3.5. The Head of OSCCA may suspend the consideration of a complaint and recommend to the Complainant that he or she should raise it under an external complaints procedure (see also paragraph 6.1.4 concerning College complaints procedures).

The Head of OSCCA may refer a case for consideration under one or more of the following internal procedures:

- the University’s Fitness to Study procedure (Statutes and Ordinances, p. 225) or an equivalent College procedure
- the University’s Fitness to Practise procedures (Statutes and Ordinances, p. 207 and p. 215)

3.6. Guidance for Higher Education Institutions recommends that, if a matter is being dealt with under the criminal process, then, save for taking any necessary precautionary action (see paragraph 3.7), any internal disciplinary process should be suspended until the criminal process is at an end.
3.7. Under Special Ordinance D (v), the Academic Secretary has authority to take precautionary action where any matter is being dealt with under a University procedure or as part of a criminal process. Where the risk is not considered high enough to require the suspension of a student in full from the student's studies, it may still be necessary to exclude the student from certain University facilities or premises, or impose conditions on the student’s access to such facilities and premises. If appropriate, a College or Colleges may be consulted and agree to exclude the student from certain College facilities or accommodation. Precautionary action may include a requirement that the student should have no contact of any kind with named individuals, for example, the complainant or potential witnesses.

This action is not intended to be a punishment and it does not make any presumption of wrongdoing. It is to protect both parties whilst the allegation is being dealt with under a University procedure or as part of a criminal process, and/or to ensure that a full and proper investigation (whether by the police or the University) can be carried out.

If a student breaches any restrictions that have been imposed, this may be a breach of the General Regulations for Discipline. A breach can be considered as part of any subsequent University investigation of the original complaint or as a separate matter. A breach of the restrictions may be considered to increase the level of risk to the University community and therefore may increase the level of restriction subsequently imposed upon a student.

3.9. A Complainant who is considering whether to withdraw a complaint may wish to discuss the matter with those able to offer support as listed in the note to paragraph 4.2.

3.10. No person serving under this procedure as a member of a decision-making body or as an investigator will have any previous knowledge of the case or any material connection to the Complainant or the Respondent. Normally no person who is a member of the Department/Faculty or College of the Complainant or the Respondent will be involved in consideration of the case. The Complainant or the Respondent (or their representatives) will be entitled to object to the involvement of an individual for good cause. Standing deputies are appointed on a rolling basis, without reference to a specific complaint.

4. **Support and guidance**

4.2. The Head of OSCCA will be able to direct both Complainants and Respondents to the following sources of advice and support:

- personal support available within the collegiate University and in the local community
- guidance and support for seeking alternative resolution of the complaint, including mediation
- legal advice and representation available free of charge from a panel of volunteers in the Faculty of Law; a list is available from the Secretary to the Faculty Board of Law.

The Appendix sets out the University's policy on the use of personal information under this procedure. A copy of the Appendix should normally be provided to Complainants, Respondents, and witnesses to events relating to the complaint so that they understand how their personal information will be used and the limits on
confidentiality. The policy explains how information may be shared with certain University and College officers.

The Complainant and the Respondent can be accompanied to any meeting under the procedure by a College tutor, a student representative, or a friend. 'Student representative' in this context means a CUSU or GU officer or an advisor with the Student Union Advice Service. In addition, each is entitled, if they wish, to be accompanied by a legal representative; the officer convening a first meeting under the procedure will normally remind the Complainant/Respondent of this in writing.

5. Alternative resolution
See the note on paragraph 4.2 above.

6. Formal procedure

6.1.1. A formal written complaint should be addressed to the Head of OSCCA and sent to the postal or email address above, using the form available online at [URL]. Anonymous complaints will not normally be accepted; see the Appendix.

6.1.4. If a complaint does not fall within the scope of this procedure, it may nevertheless be referred for consideration under another procedure; see the note on paragraph 3.5 above.

See paragraph 2.3 concerning the complaints which would ordinarily be considered under this University procedure; the group may agree to consult with the Complainant and/or the College before deciding whether to decline a complaint and recommend its referral for consideration under that College’s equivalent procedure.

The University reserves the right, after due consideration, to take no further action and may decline to refer the matter for investigation under this procedure for any reason, for example, because it lacks the necessary investigatory powers or forensic capability.

6.2.1. The Head of OSCCA will appoint an investigator from a pool of investigators (which may include external investigators) who have undergone training in investigating complaints under this procedure.

6.2.2. The following sets out the normal format of the investigation. The investigator will offer to have individual meetings with the Complainant and with the Respondent, and may also seek to have a meeting with any witnesses. Witnesses may be accompanied at a meeting by a supporter and/or legal representative in the same way as the Complainant and the Respondent are entitled to be accompanied. Each meeting will be minuted and the minutes agreed with those present as a correct record (or any disagreement noted), at which point any other record of the meeting will be destroyed.

6.2.3. When the Respondent is reminded that he or she is entitled to seek independent legal advice, reference will be made to the availability of legal advice and representation free of charge from a panel of volunteers in the Faculty of Law (see paragraph 4.2 above).

6.2.5. The Head of OSCCA will normally refer a complaint alleging sexual misconduct to the Panel.

6.3.2. Both the Head of OSCCA and the Panel have discretion as to whom they meet.
6.3.5. The Registrary shall normally appoint members from among those appointed to serve on the panels of the Discipline Committee and University Tribunal and as reviewers under the Student Complaints Procedure.
6.4.1. See the Appendix. A conduct agreement may include an undertaking by the Respondent to refrain from contact with the Complainant for a specified period of time.

The relevant body for the purpose of the consideration of a request for intermission will be the Board of Graduate Studies for applications concerning graduate students and the Council’s Applications Committee for applications concerning other students. Approval may be granted by Chair's action on behalf of the relevant body.

6.4.4. Where there is evidence of conduct constituting a failure to comply with an agreed resolution, the Head of OSCCA may decide that the original complaint should be referred for consideration under disciplinary procedures under paragraph 6.4.4. The Head of OSCCA may also consider whether a referral under the University’s disciplinary procedures should be made in respect of the conduct which is alleged to constitute a breach of the terms of the agreed resolution.

6.5.1. See the Appendix.

6.5.4. See the note on paragraph 6.3.5 above.

6.5.5. See the Appendix.

6.6.5. Save where the reviewing body refers the original decision back to the decision-maker for further consideration, the adjudication in writing that is issued by the reviewing body will complete the University's internal procedures in relation to the complaint and, when the adjudication is sent to the Complainant, it should be accompanied by a Completion of Procedures letter in a form which accords with guidance published by the Office of the Independent Adjudicator from time to time.

Appendix: Policy on the use of personal information under the Procedure for Handling Cases of Student Harassment and Sexual Misconduct

A copy is to be provided to the Complainant, the Respondent, and any witnesses at the earliest contact.

1. The overall purpose of processing personal data in the context of the investigation and resolution of complaints of harassment and sexual misconduct is to decide what steps can appropriately be taken in response to such complaints. Personal data will be disclosed only to those persons who need to see such data for the purposes of conducting an investigation, determining or recommending a resolution, or deciding what other steps can appropriately be taken. Such persons may include the Head of OSCCA, the Pro-Vice-Chancellor (Education), the Secretary of the Senior Tutors’ Committee, the Academic Secretary, members of the Harassment and Sexual Misconduct Panel, the investigator assigned to the case, solicitors in the University’s Legal Services Office, the University Advocate (or other relevant officer), and members of any committee constituted under the procedure for the purposes of considering a review. An investigation under the procedure is not intended to arrive at a conclusion as to whether a breach of disciplinary regulations has been committed. In the circumstances, documentation generated in the course of an investigation under the procedure may not be disclosed in full to the Complainant and the Respondent except in so far as is reasonably necessary to conduct and to progress a fair investigation or a person has explicitly consented to the disclosure of personal data to the extent that the data relate to her or him.

2. In the interest of fairness to all parties, the University will not normally accept an anonymous complaint under this procedure. Where a complaint is brought under the procedure, the identity of the Complainant may be provided to the Respondent (and the Respondent’s supporter and legal representative, if applicable), together with sufficient information to enable the Respondent to understand the gist or substance of the complaint. If you have concerns about the sharing of information between the Complainant and Respondent you should seek advice from the Head of OSCCA.

3. For both the student making the complaint and the student against whom the complaint has been made, the University will seek your written consent before providing the following people with a summary of the complaint, including your name, so that they are aware of the complaint and able to assist in providing you with support:

Your College Senior Tutor
Your Personal Tutor or Graduate Tutor

In some cases, your written consent may also be sought to disclose information to the following:

Your Head of Department or Faculty
Your Supervisor (if you are a research student)

4. The investigator’s report will normally be released to the Complainant and the Respondent, but the minutes of any individual meetings will not usually be disclosed with the report. If the matter subsequently becomes the subject of disciplinary proceedings and the decision is taken to charge the Respondent, the Complainant’s written complaint and the minutes of any individual meetings with the Complainant and the Respondent and/or with any witnesses will form part of the evidence in those proceedings and can therefore be expected to be disclosed to both sides in full at that point.

5. The University will normally respect the wishes of a person who is the victim of a crime and does not wish to report the matter to the police. However, in exceptional
circumstances, where the facts as they emerge give rise to concerns that there is a significant risk to members of the community, the Head of OSCCA may decide to refer the matter to the police. Unless there are exceptional reasons related to the case, the Head of OSCCA will normally inform the Complainant of the intention to report the matter to the police and give reasons before doing so.

6. **The University may be required to provide as evidence in any subsequent criminal investigation or proceedings in a court of law information regarding the complaint, including any admission made in the course of this procedure (and/or any made during mediation or any subsequent disciplinary proceedings). Any admission made in the course of this procedure may also be used as evidence in University disciplinary proceedings, save that the University will abide by the confidentiality of any mediation and anything which is said in the course of mediation will not be used in evidence in any University disciplinary proceedings.**

7. Following completion of the procedure, the investigator's report and a record of the outcome, including any conduct agreement entered into by the Respondent, will be retained securely by the Head of OSCCA usually for not more than one year beyond the Respondent’s period of study at the University. This information will be used for the purposes of responding to any complaints regarding the application of this procedure as well as for compiling anonymous statistics regarding its use. Further, where any complaint is subsequently submitted under this procedure by the same Complainant, or by a different complainant, in respect of the same Respondent, giving the University reasonable cause for concern regarding an emerging pattern of potential harassment and/or sexual misconduct, this information may be taken into account by the Head of OSCCA or the Harassment and Sexual Misconduct Panel, as appropriate, in reaching a decision under paragraph 6.3.3 of the procedure, and may also be provided to the University Advocate or other relevant officer if relevant for the purposes of conducting disciplinary proceedings or referral for consideration under another procedure under paragraph 3.5 of this procedure.

8. Nothing in this policy is intended to prejudice any rights of access to personal data which any person may have under the Data Protection Act 1998 or otherwise.

9. If you have any questions or concerns about this policy, please contact the Head of OSCCA in the first instance.
