

# team+

Whether you are looking to get the most from your team and improve business performance, start your conference on the right note or include a social activity at your event, Team+ works with you and your objectives to create an appropriate activity.

With our preferred partner, Off Limits Corporate Events, we will offer you a menu of ideas or suggest a tailor-made solution. We even do 'green' events!

✓ In addition to the range of events we can provide on-site, we can also offer off-road driving experiences at Cambridge Rugby Club – only a stone's throw away from Robinson College. And if you would like to take your event one step further with theming and entertainment options, we can help with that too.

Part of **service+**

Our Team+ service provides a range of icebreakers and team-building exercises to get everyone energised to ensure you get the best out of your team. We work with you to create an activity appropriate to your objectives.

## What can we offer?

- ✓ **Conference Icebreakers** – early engagement with delegates is key and Off Limits Corporate Events has a range of high energy activities designed to involve everyone from the start, ensuring they are listening and engaged!
- ✓ **Team Building** – a range of activities can be provided to help meet your overall event objectives, with a balance between facilitated exercises with feedback and others where participation is fun with informal feedback.
- ✓ **Green Team Building Events** – these not only promote effective team-working but also help you meet your company's CSR objectives by raising awareness of environmental issues which may affect the way you work.
- ✓ **Motorised Activities and Country Pursuits** – in association with Cambridge Rugby Club we offer a range of high adrenaline driving events and also Country Sports. These can be delivered as a team competition or on an informal basis with the ultimate aim of trying to provide something for everyone.
