

Construction/Maintenance works
Lent Term from week commencing 22nd January 2024

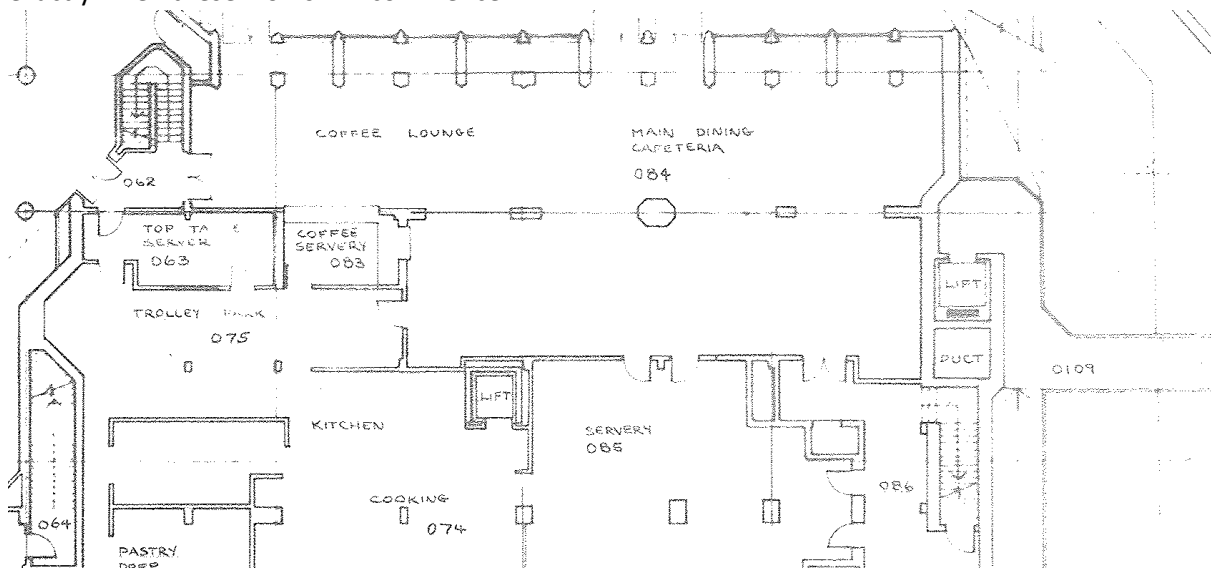

Rain water pipes will be exposed, cleaned and replaced where require on P-A garden side on Level 1. Works will commence at 08.30am and will be completed daily at around 4.00pm-4.30pm

Works will also be taking place on the Rain water pipes from K-A garden side on level G. as above works will commence at 08.30am and complete daily at 4.00pm-4.30pm

Rain waterpipes outside the garden restaurant will be repaired/replaced. I will keep you informed of exactly when these works will commence.

Works on high court window frames will also be undertaken in the coming few weeks on both side of the sets and offices on high court. This work will entail some rubbing and sanding of the window frames in ready to be revarnished. If at any time this becomes challenging or disruptive to meetings etc please feel free to let me know.

As always, I am happy to field any concerns or questions that may arise.

Thank you for you cooperation in this matter.

Bill McKim

Projects Manager
