

If you are having trouble registering
your device on

RC-Wifi or RC-Wifi-Secure

- 1) Turn off mobile data if using a mobile
- 2) Connect to RC-Wifi or RC-Wifi-Secure
- 3) Turn off private addressing if using a mobile
- 4) Open your web browser and go to

www.robinson.cam.ac.uk/setup

If you have a Raven account, click 'Register my device with a Raven Account'. If you don't have a Raven account please choose the 'Register my device with an Email account' option.

After you have entered your Raven details or email address, please enter your personal details on this screen below. Member type is required, please select the appropriate type. The House/Staircase and Room Number are not required fields.

The image shows the personal details registration form. It features the Robinson College crest at the top center. Below the crest is the title "Robinson College Computer Registration System". The form consists of several input fields and a dropdown menu arranged in two columns. The left column contains: "Initials/Firstname" with a text input field, "Email Address" with a text input field, and "House/Staircase" with a text input field. The right column contains: "Last Name" with a text input field, "Member Type" with a dropdown menu showing "Please select an option", and "Room Number" with a text input field. Below the input fields is a line of text: "I agree to the Robinson IT acceptable usage policy, and those of Cambridge University and JANET." At the bottom of the form is a large blue button with the text "I Agree".
